Product Feature:

The fragrance of this perfume is unique and complex, blending a variety of natural spices to show a multi-layered aroma. The top notes are mainly citrus, bergamot and Grasse jasmine, fresh and energetic. The middle notes are added with the scent of rose, ylang ylang and iris, bringing a gentle and romantic atmosphere. The base notes use woody notes such as patchouli, sandalwood and vanilla, making the overall

fragrance more lasting and profound. This unique fragrance combination not only shows the femininity and elegance of women, but also reveals a spirit of self-confidence and independence.
