Product Description

Synthetic Herbal Floral Fragrance Essence For Laundry Detergent Soap Fragrance

LDZ-PL50072

Product Description:

The raw materials of this herbal floral fragrance are derived from flowers and plants in nature. It has a fresh and natural scent, and is a good blend of the green scent of herbs and the elegant floral scent. It is suitable for shower gel, shampoo, household cleaning and other products, emphasizing the "natural healing feeling".

Product Feature:

The scent of this herbal floral fragrance is distinct. The top note is grass and citrus, giving you the fresh green feeling of broken grass stems. The middle note is a mixture of lavender, chamomile and rose, which is a balance of soothing herbal scent and slightly sweet floral scent. The base note is cedar and white musk, ending with clean wood to enhance the fragrance effect of clothing.

APPLICATIONS:

LDZ-PL50072 is widely used in the production of washing products such as shower gel, shampoo, and household spray. The addition amount is between 0.8% and 1.5%, and customers can adjust the addition amount according to their own needs. At present, customers who have purchased this fragrance have given good feedback and a good sensory experience. In the trial experience of the terminal product, you can feel the fresh green of grass juice and the slightly sour citrus taste within 5 seconds. After washing for 1 hour, lavender and chamomile present the dry floral fragrance of "herbal tea garden". After 6 hours, you can feel the clean feeling of cedar and musk retaining "linen fabric drying". The fragrance retention effect after use is good, and the cedar-musk scent can be smelled within 10 hours after washing.
