## Product Description

### Eco Friendly The Bur berry Perfume Essence For Softener & Soap With Free Sample

LDZ-PL50059

#### Product Description:

The item LDZ-PL50059 fragrance, has its aroma which positioned as British elegance. The perfumer skillfully combines fresh citrus, dry wood and soft musk. It is specially optimized for laundry detergent, softener and other washing products. It has the characteristics of high fragrance retention, strong covering power and alkali resistance and stability.

#### Product Feature:

The fragrance uses high-concentration citrus-aldehyde top notes to achieve strong covering power, better covering up the surfactant smells such as SLES/LAS; uses alkali-resistant ingredients such as patchouli alcohol and Galaxolide, with high pH stability; uses cationic microcapsule technology to withstand multiple washings, making the fabric fragrance last longer and more intense; uses only DPG/ethanol as solvent to ensure its low-temperature solubility, and the fragrance is effectively precipitated during cold water washing. It is a fragrance designed for laundry detergents, softeners and other washing products.
