## Product Description

### Perfume fragrance Jean Paul Gaultier (Black) Fragrance

LDZ-PL10064

#### Product Description:

Jean Paul Gaultier Le Male Le fragrance is an intense and charismatic Eau de Parfum, a modern and powerful take on the classic Le Male. This woody oriental fragrance opens with a vibrant and spicy note of cardamom. The heart reveals an elegant blend of fresh lavender and powdery iris, adding a refined touch. The base is rich and addictive vanilla, creating a warm, sensual, and long-lasting trail. Known for its excellent longevity, this fragrance is ideal for evening wear and special occasions, exuding confidence and allure. Le Male Le Parfum is a bold and unforgettable scent for the modern man seeking a distinctive and powerful signature.

#### Product Feature:

Jean Paul Gaultier Le Male Le Parfum stands out with its intense and long-lasting woody oriental fragrance. The prominent vanilla base provides a warm and addictive sweetness. It features a captivating blend of spicy cardamom, fresh lavender, and powdery iris, creating a complex yet harmonious scent profile that is both masculine and sensual.

As a modern evolution of the classic Le Male, it retains familiar elements while offering a deeper and more contemporary feel. Its unique and powerful scent makes it a sought-after fragrance for those desiring a distinctive signature.

#### APPLICATION:

Beyond being the concentrated fragrance itself, Jean Paul Gaultier Le Male Elixir Parfum's captivating scent profile is often extended to other products within the brand's offerings. These aim to complement the perfume and provide a layered fragrance experience.

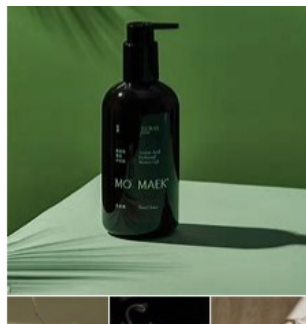

Commonly, you can find the Le Male Elixir Parfum scent in:

After Shaves: Designed to soothe and refresh the skin after shaving, while leaving a subtle hint of the Elixir Parfum fragrance.

Shower Gels or Body Washes: These cleanse the body and infuse the skin with the perfume's aroma, creating a fragrant base for the Eau de Parfum or offering a lighter, standalone scent.

Body Lotions or Balms: Formulated to moisturize the skin, these products also carry the Elixir Parfum scent, enhancing its longevity when the perfume is applied afterward.

Deodorants or Antiperspirants: These help to keep you fresh and can be scented with Le Male Elixir Parfum, providing a consistent fragrance experience throughout the day.
