## Product Description

### Perfume Essence oils La Fille de Berlin For Perfume Making With Free Sample

LDZ-PL10065

#### Product Description:

The essence of Serge Lutens La Fille de Berlin centers on a rich and opulent rose, far from delicate, evoking deep velvet and drama. This core rose is punctuated by a distinct pink peppercorn note, lending a spicy, almost metallic sharpness that provides the fragrance's signature rebellious edge.

Further nuances include the slightly green and aromatic touch of geranium, the rosy, citrusy, and woody undertones of palmarosa, and the warm sweetness of honey. Grounding the composition are the earthy and woody notes of moss and patchouli, enhancing complexity and longevity. Overall, La Fille de Berlin's essence oil presents a bold and sensual floral fragrance with a spicy and somewhat edgy character. It captures the image of a woman both alluring and resilient, leaving a memorable and distinctive trail.

## La Fille de Berlin Fragrance

LDZ-PL10065

#### Product Feature:

Serge Lutens La Fille de Berlin is a captivating fragrance defined by its **bold and opulent rose heart**, a far cry from traditional delicate florals. This rich rose is sharply contrasted with the **distinctive spice of pink peppercorn**, lending an unexpected, almost metallic edge that gives the scent its signature rebellious character.

The fragrance unfolds in layers, starting with the initial vibrant rose and spice, leading to subtle green and aromatic nuances from geranium and palmarosa. The base provides a warm and slightly sweet foundation with honey, grounded by earthy moss and patchouli, contributing to its impressive longevity and noticeable sillage.

Inspired by the resilient spirit of the "girl from Berlin," the perfume embodies strength and independence. Its unique and memorable scent profile

makes it a standout artistic creation, housed in Serge Lutens' signature understated black bottle, focusing attention squarely on the compelling fragrance within.
