Product Description

Skin Friendly Musk Cypress Essence For Skin Care Products Making High Quality

LDZ-PL80013

Product Description:

This skin care essence, infused with musk and cypress extracts, offers a unique sensory experience that balances and soothes the skin. The warm, sensual aroma of musk intertwines with the fresh, woody notes of cypress, creating a luxurious and grounding skincare ritual. Cypress essence, known for its astringent and purifying properties, helps to regulate sebum production, minimize the appearance of pores, and potentially inhibit acne-causing bacteria. Its potential anti-inflammatory and circulation-boosting effects can also soothe skin discomfort and enhance radiance.

This essence gently yet effectively improves skin condition, allowing it to gradually reveal a clearer, more balanced, and smoother complexion while indulging in its distinctive fragrance. Ideal for those seeking skin equilibrium and a purifying, calming experience.

Product Feature:

It has a soft woody, pencil-like scent with a hint of dark sandalwood. It is light yellow or light orange in color and has a sticky texture.

Cypress essential oil is an essential oil extracted from the cypress family, which has many benefits and uses. It has a fresh and slightly sesame smell, which can not only soothe and balance the spirit and emotions, but also stimulate the generation of spirituality; at the same time, it helps to cleanse the respiratory system with excessive mucus secretion and treat catarrh.
