Product Description

Skin Friendly Musk Cypress Essence For Skin Care Products

Product Code: LDZ-PL80013

Premium Skincare Essence with Musk & Cypress Extracts

This luxurious skincare essence combines musk and cypress extracts to create a balancing, soothing formula. The warm, sensual musk aroma blends with fresh woody cypress notes for a grounding skincare experience.

Key Benefits

- Regulates sebum production and minimizes pore appearance
- Contains purifying properties that may inhibit acne-causing bacteria
- Offers potential anti-inflammatory and circulation-boosting effects
- Promotes clearer, more balanced, and smoother complexion
- Features a distinctive soft woody fragrance with sandalwood notes

Musk Cypress Fragrance

LDZ-PL80013

Technical Specifications

Feature	Specification	Notes
Product Type	Musk Cypress Essence	Facial Essence/Serum
Primary Fragrance	Musk & Cypress	Woody, fresh aroma profile
Key Ingredients	Synthetic/Natural Musk, Cypress Extract/Oil	Concentration varies by formulation
Base Formula	Aqueous or Hydro-alcoholic	Lightweight, fast-absorbing texture

Therapeutic Benefits of Cypress Oil

Cypress oil offers multiple skincare benefits including moisturizing, balancing oil secretion, tightening pores, and promoting wound healing. It also helps with circulation issues, excessive bleeding, and provides emotional benefits by relieving stress and purifying the mind.

Recommended Applications

Application Area	Benefits	Suggested Product Types
Facial Care	Balancing, hydrating, pore-minimizing	Essences, serums, spot treatments
Body Care	Aromatic benefits, potential purifying properties	Body serums, lotions, foot care
Aromatherapy	Enhancing sensory experience, promoting relaxation	All scented skincare products

Important Safety Notes

Musk essential oil is for external use only and not recommended for direct consumption. Special caution is advised for pregnant women, breastfeeding mothers, and children. Always consult a professional before use to ensure proper dosage and application safety.

Packaging & Shipping Information

Secure Packaging

Our fragrance essences are packaged in stable plastic or iron bottles, carefully placed in sturdy cardboard boxes with cushioning material to ensure safe delivery.

Reliable Shipping

We offer fast worldwide shipping: 1-3 days for samples/trial orders, 3-5 days for bulk orders. All packages are carefully prepared to ensure product integrity during transit.

Custom Formulation & Technical Support

Our R&D team, including PhDs and senior engineers, collaborates with university laboratories to develop innovative natural ingredients. We specialize in creating customized fragrances to meet your specific product requirements while optimizing quality and cost efficiency.

OEM Services Available

We support OEM development of your unique scent or classic fragrance profiles. Contact us to discuss your specific formulation needs.
