## Product Description

### Free Sample Pure Four Seasons Fragrance Essence For Perfume Making

LDZ-PL30004

#### Product Description:

"Four Seasons Fragrance Oil" is a concentrated fragrance product designed to recreate the iconic luxurious atmosphere of Four Seasons Hotels. It brings the elegant and comfortable feeling of the hotel into your personal space or perfume creation through carefully formulated aromas.

This fragrance oil usually presents a multi-layered aroma: the top notes may contain fresh citrus (such as bergamot, lemon) or green (such as white pine, green fig), bringing a vibrant start; the middle notes are dominated by delicate floral notes (such as lily of the valley, geranium, jasmine, hyacinth, and sometimes roses), adding softness and sophistication; the base notes often end with warm woody notes (such as amber, vetiver, musk, sandalwood, cedar, some versions contain agarwood or sweet tonka beans and vanilla), giving the fragrance depth and persistence.

#### Product Feature:

"Four Seasons Fragrance Oil" is a high-quality, concentrated fragrance product whose core feature is to replicate the iconic luxurious aroma of Four Seasons Hotels. It is designed to bring the hotel's unique exquisite, elegant and comfortable atmosphere into your life through carefully formulated multi-layered fragrances.

This essential oil uses high-quality spices and is created by professional perfumers. The fragrance structure is complex and balanced, usually including fresh top notes, elegant floral middle notes and warm and lasting base notes. Its high concentration characteristics allow it to exert a significant fragrance effect with only a small amount.

"Four Seasons Fragrance Oil" has a wide range of uses. It is not only an ideal choice for making personalized perfumes, but also suitable for various home fragrance products, such as aromatherapy machines, scented candles and rattan fragrances. It can even be used to make personal care products, bringing a long-lasting luxurious fragrance experience.

### Technical Parameter:

Appearance	transparent liquid, color may vary from batch to batch.
Odor characteristics	complex and multi-layered aroma, usually including fresh, floral, fruity, woody or oriental notes, designed to simulate the changes of the four seasons. Please refer to the supplier's fragrance description for the specific fragrance composition.
Flash point	usually above 70°C (please refer to the supplier's technical parameter table for specific values).
Specific gravity (20°C)	about 0.85 - 0.95 (please refer to the supplier's technical parameter table for specific values).
Refractive index (20°C)	about 1.450 - 1.490 (please refer to the supplier's technical parameter table for specific values).
Solubility	soluble in ethanol and most common solvents for perfume.
Stability	stable under appropriate storage conditions (avoid light, cool and dry).
Recommended dosage	In perfume formulations, the recommended dosage range is usually 1% - 20%, depending on the desired fragrance intensity and formulation system.
IFRA specification	Conforms to the relevant safety standards of the International Fragrance Association (IFRA)

## FUNCTIONS & APPLICATIONS

"Four Seasons Fragrance Oil" is a high-quality concentrated fragrance that is designed to replicate the iconic luxury experience of Four Seasons Hotels. It is designed to bring the hotel's sophistication, elegance and comfort to life with its carefully blended, multi-layered aroma.

This essential oil uses high-quality spices and is professionally blended to present a complex and balanced aroma structure. Its high concentration makes it ideal for making personalized perfumes, and users can freely mix their own fragrances.

At the same time, it is also widely used in the field of home fragrance, such as aromatherapy machines, reed fragrances and scented candles to create a luxurious atmosphere. It can even be used to create atmospheres for DIY personal care products and commercial places.

In short, "Four Seasons Fragrance Oil" allows users to enjoy a refined and luxurious sensory experience at home or in commercial spaces with its unique Four Seasons Hotel aroma, high quality and versatility.
