Imagine the sun shining through the tulle and gently falling on the plump mirabelle plums. The sweet and fresh scent first takes over your sense of smell, like a vibrant opening statement, instantly lighting up the atmosphere in the room. As time goes by, the core Sambac jasmine releases its rich and intoxicating fragrance like a blooming flower. It is a gentle and sensual power, as if a charming woman is whispering, and her every look reveals an intoxicating light. The fragrance of jasmine lingers in the air, bringing a delicate sense of luxury, making you feel like you are in a poetic garden.

Finally, the warmth and calmness of sandalwood slowly emerges, like the end of a story, long and memorable. Its woody aroma is like the breath of the earth, giving the overall fragrance a deep background, and also symbolizing the firmness and strength deep in the heart of women.
