### Technical Parameter:

"Someday" Inspiration Fragrance Oil is not only an aroma material, but also a carrier of emotion. It can inject youthful vitality and sweet charm into your products and creativity, making every sniff like recalling a hopeful "someday".

Product Name	Someday by Justin Bieber Fragrance Oil
Product Type	Fragrance Oil / Perfume Compound
Appearance	Typically a clear to pale yellow liquid. The exact color can vary slightly between batches.
Odor Profile	A sweet, fruity-gourmand scent with prominent notes of red berries, pear, mandarin orange in the top; floral notes and jasmine in the middle; and vanilla and musk in the base. (Refer to the provided product descriptions for a more detailed scent breakdown).
Solubility	Usually soluble in alcohol (for perfumes), and various carrier oils (for other scent applications). Water solubility is generally limited.
Specific Gravity	The density of the oil at a specific temperature (e.g., 20°C or 25°C). This is important for calculating weight-to-volume ratios in formulations.
Flash Point	The lowest temperature at which the vapor of the oil can ignite in air when exposed to an ignition source. Crucial for safe handling and storage, especially in candle making. It's likely to be above typical room temperature, possibly >60°C (>140°F) or even higher.

## FUNCTIONS & APPLICATIONS

The core application of the "Someday by Justin Bieber" inspired fragrance oil is to give the product a signature fruity gourmand note that is sweet, lively and full of youth. It perfectly captures the essence of the original fragrance, opening the sensory journey with bright red berries, fresh citrus and crisp pears, then blending into soft florals and sensual jasmine, and finally leaving a pleasant sweet aftertaste with warm vanilla and smooth musk.

This fragrance oil is ideal for creating personalized perfumes. Whether used alone to restore classics or creatively mixed with other spices, it can easily create a unique fragrance full of youthful vitality. At the same time, its versatility makes it widely used in home fragrance products such as scented candles and room sprays to inject a sweet and pleasant atmosphere into the environment. In the field of personal care, it can add a charming fruity scent to handmade soaps, shower gels and body lotions, bringing a pleasant use experience.

Choosing the "Someday" inspired fragrance oil means choosing an olfactory symbol that can evoke youthful memories and sweet emotions. Whether you are a DIY enthusiast or a product manufacturer seeking to expand the young market, this fragrance oil can bring unique appeal to your creativity and products, making every sniff like recalling a vibrant and sweet "someday". It is not only a fragrance, but also a symbol of youth, vitality and dreams.
