FUNCTIONS & APPLICATIONS

Pure & Moist essential oils are not only suitable for aromatherapy machines, but also perfectly suited for rattan aromatherapy, which can infuse charming fragrance into your space in a lasting, natural and safe way. Through the capillary action of the rattan, the essential oil is released slowly and steadily, without heating or electricity, which is convenient and safe.

It has a wide range of application scenarios: whether it is a home space (living room, bedroom, office, etc.), creating a warm, relaxing or focused atmosphere; or a commercial place (hotel, store, etc.), enhancing the brand image and creating a unique experience; or as an exquisite gift, conveying taste and care, Pure & Moist can do it well.

Compared with other fragrance methods, the advantages of rattan aromatherapy are long-lasting fragrance, no need for frequent operation; safe and worry-free, no open flame hazards; both decorative and enhance the beauty of the space; and wide applicability, it can be placed in almost any corner where fragrance is needed. You can also freely control the fragrance concentration by adjusting the number of rattan sticks.

Choosing Pure & Moist essential oil with a reed diffuser is an elegant, convenient and long-lasting fragrance solution that allows you to immerse yourself in your favorite scent at any time, improve your quality of life, and enjoy the pleasure and comfort brought by fragrance.
