Product Description

Bossman Fragrance Free Sample For Diffuser Reed Sticks Scented Candles

LDZ-PL30016

Product Description:

Bossman Aromatherapy Essential Oil Series selects high-quality natural plant essences and fragrance ingredients to inject unique charm into your living space. We provide a rich variety of fragrances, including fresh fruity, romantic floral, calm wood and oriental spices, etc., to meet the needs of different preferences and space atmosphere creation.

This aromatherapy essential oil is widely used and is suitable for aromatherapy rattan vaporizers. It emits fragrance for a long time through the natural evaporation of the rattan. It is also an ideal choice for making handmade aromatherapy candles, bringing you warm candlelight and charming fragrance. Bossman essential oil can not only effectively improve indoor air quality, but also keep the fragrance for a long time, bringing a pleasant experience.

Product Feature:

The Bossman Fragrance Oils series is specifically designed to deliver an exceptional aromatic experience through reed diffusers, understanding that scent is key to shaping a space's personality. What sets Bossman apart from common fragrance oils on the market lies in our distinct differentiation:

1. **Precise Customization of Spatial Ambiance:** Beyond offering a wide array of scents, Bossman delves into the impact of different aromas on emotions and atmosphere. We provide more precise fragrance pairing suggestions tailored to various spaces like living rooms, bedrooms, and studies, helping you cultivate a unique ambiance that aligns with specific scene requirements.
2. **The Delicate Balance of High Quality and Longevity:** Bossman meticulously selects high-concentration, high-purity natural extracts and premium fragrance compounds, ensuring the stability and longevity of the scent diffusion. Our oils are formulated to be effectively absorbed by the reeds and released gradually, providing a more enduring and nuanced aromatic experience, moving beyond fleeting and weak scents.
3. **Emphasis on Aromatic Complexity and Narrative:** Our perfumers carefully craft each fragrance, paying close attention to the top, middle, and base notes, resulting in scents with greater complexity and artistry. Certain fragrances even incorporate unique stories or inspirations, adding a layer of cultural richness and emotional connection to your space.
4. **Commitment to Environmental and Health Consciousness:** Bossman is dedicated to choosing environmentally friendly raw materials and packaging. Select series utilize natural plant extracts, free from harsh chemicals, offering a more reassuring and healthier aromatic experience for you and your family.

Technical Parameter:

Bossman Fragrance Oils are more than just scents; they are the architects of your personalized spatial ambiance. With high quality and a distinctive fragrance philosophy, we empower your living space to exude a truly unique charm.

Core ingredients and fragrance design	
Citrus Note	Mainly composed of limonene and bergamot oil (Bergamot EO), providing a fresh top note
Wood Note	Contains cedrol and patchouli alcohol, giving it a warm and deep aftertaste that can last for more than 24 hours
Floral Notes	Rose Otto and Jasmine Absolute are the main ingredients, and the natural aroma must be retained through solvent extraction or CO2 supercritical extraction.
Appearance	Transparent to light yellow liquid
Specific gravity (25°C)	0.850-0.950
Viscosity (25°C)	20-50 mPa·s
Flash point	≥60°C
pH stability	4-9
Thermal stability	The fragrance intensity decays ≤10% when stored at 60°C for 30 days, suitable for scented candles (soy wax addition 6-8%)

FUNCTIONS & APPLICATIONS

Designed for use with reed diffusers, Bossman Aromatherapy Essential Oils deliver a rich and varied aroma in a safe and convenient way, creating a variety of indoor atmospheres. You can choose or mix and match scents to customize your own olfactory environment based on your preferences and space needs. No open flame is required, making it ideal for homes and offices. Paired with a sophisticated diffuser, it can enhance the beauty of the space. The concentration of the aroma can be controlled by adjusting the number of reeds. Suitable for a variety of indoor environments, including living rooms, bedrooms, studies, offices, bathrooms, etc. You can choose the right scent and diffuser style according to the function and atmosphere requirements of different spaces. Bossman Aromatherapy Essential Oils are designed to enhance your quality of life and well-being, making aroma the finishing touch of your comfortable space.
