#### Product Description:

212 VIP MEN Fragrance Oil, inspired by Carolina Herrera's 212 VIP Men fragrance, is designed to capture the confidence, glamour and energy of New York's party elite. With its rich and lasting woody amber aroma, this perfume oil creates a unique "party animal" scent for modern men, making them the center of attention in any occasion.

#### Product Feature:

212 VIP MEN perfume oil, inspired by well-known men's fragrances, is a highly concentrated fragrance product designed for modern elite men. Its biggest highlight is its excellent long-lasting fragrance. With its high fragrance concentration, only a small amount of application can maintain the charming fragrance for several hours or even a whole day, far exceeding traditional alcohol perfumes.

The fragrance of this perfume oil is rich and unique, with wood amber as the main axis. The top note combines the freshness and spiciness of caviar lime, mint and ginger; the middle note cleverly integrates the wine and spices of vodka and gin, showing the vitality and charm of the party; the base note ends with warm amber, leather and king wood, giving the fragrance a deep and masculine background.

The skin-friendly nature of perfume oil makes its fragrance more intimate, which can better blend with personal body odor to form a unique and exclusive fragrance aura. Its small ball design is easy to carry and apply accurately, making it easy to replenish fragrance anytime, anywhere. For men who seek a long-lasting, unique and private fragrance experience, 212 VIP MEN Fragrance Oil is undoubtedly the ideal choice to enhance charm and show taste.
