Product Description

Pure Lemon Sage Fragrance Essence For Shampoo Shower gel & Soap Free Sample LDZ-PL20082

Product Description:

This lemon sage fragrance essential oil is specially formulated for shampoo and shower gel. It cleverly combines the freshness and vitality of lemon with the herbal tranquility of sage, injecting a unique sensory experience into daily bathing.

Our essential oils are optimized for the characteristics of shampoo and care products to ensure that the fragrance is highly stable and lasting in complex formulas, and can still be gently attached to hair and skin after rinsing. Its highly concentrated characteristics only require a small amount to achieve the ideal fragrance effect, effectively controlling production costs.

More importantly, the product meets the international fragrance industry safety standards, has a hypoallergenic formula, is mild and non-irritating, and ensures that consumers can use it with peace of mind.

Product Feature:

This lemon sage fragrance essential oil breaks through the boundaries of traditional fragrances and is tailored for shampoo and shower gel to give your product a unique fragrance soul. Unlike a single or mediocre fragrance, we ingeniously combine the bright and fresh lemon with the calm herbal fragrance of sage to create a sensory experience that is both energetic and soothing and balanced - wake up in the morning and relax at night, one bottle with multiple effects. This is not just a fragrance, but also an upgrade of a lifestyle.

Our core advantage lies in its excellent formula stability. Under the complex acid-base environment of washing and care products and the effects of multiple active ingredients, this essential oil can maintain the pure fragrance for a long time, is not easy to oxidize or deteriorate, and ensures that your product is consistent from the factory to the hands of consumers. With excellent fragrance retention and diffusion, the fragrance is diffused during bathing, and the hair and skin have a long-lasting fragrance after bathing, which greatly improves consumer satisfaction and repurchase rate with the product.

Lemon Sage Fragrance

LDZ-PL20082

Technical Parameter:

Core differentiation highlights	
Unique compound fragrance	Say goodbye to the common single fragrance, we provide a rich and harmonious symphony of lemon and sage, giving the product a highly recognizable and pleasant olfactory memory, satisfying consumers' pursuit of unique experience.
Professional optimization of the washing and care system	Deeply adapt to the specific chemical environment of shampoo/shower gel to ensure that the fragrance is stable and does not decay, which is a professional advantage that general essential oils cannot achieve.
Excellent user sensory experience	Not only "scented", but also "long-lasting fragrance, pleasant after washing", significantly improving the sensory appeal and market competitiveness of the product.

Sensory and physical and chemical properties:	
Appearance	Transparent to light yellow liquid
Smell	Fresh, energizing lemon with herbal, tranquil sage notes.
Density (20°C)	0.900 - 1.000 g/mL (reference value).
Refractive index (20°C)	1.450 - 1.500 (reference value).
Flash point	70°C - 93°C (158°F - 200°F)
Solubility	It is generally soluble in alcohol, oils and most cosmetic bases, but insoluble in water.
Recommended dosage	0.5% - 1.5% w/w
pH Stability	The fragrance remains stable within a specific pH range (such as pH 4.5-7.0 commonly found in shampoo/shower gel) and is not easily degraded.
Light stability	The aroma is not easy to degrade or fade under normal storage light.
System compatibility	Compatible with various shampoo/shower gel ingredients, without causing stratification, turbidity, discoloration and other problems

FUNCTIONS & APPLICATIONS

As an ideal companion to shampoo and shower gel, this lemon sage fragrance essence oil is designed to revolutionize your product sensory experience. It cleverly combines the bright freshness of lemon with the calm herbal fragrance of sage to create a unique complex fragrance. This balanced aroma can both awaken the senses and bring uplifting vitality, and soothe the body and mind, providing a peaceful relaxation, perfectly matching consumers' pursuit of a multi-sensory experience.

In addition to shampoo and shower gel, this essence oil is also suitable for related products such as hand soap, liquid soap and bubble bath, helping you build a comprehensive aromatic cleaning product line.

Choosing lemon sage fragrance essence oil means injecting unique market competitiveness into your washing and care products, providing a sensory feast beyond cleanliness.
