Product Description

Strong Roman Fragrance Essence With Free Sample 10ml/bottle For Body Perfume LDZ-PL10092

Product Feature:

"Roman Body Fragrance Essence" goes beyond traditional fragrances, combining the splendor of ancient Rome with modern craftsmanship to bring you a unique sensory feast. This is not just a perfume, but a personalized expression of your personal charm. No matter where you are, you can exude the eternal Roman charm and leave an unforgettable exclusive fragrance.

Core qualities	
Highly concentrated essence	The high-concentration formula ensures that the fragrance lasts for a long time and has rich layers. Only a small amount is needed to bring out the charming charm, reducing the trouble of frequent perfume refills.
Ancient Roman inspiration	The fragrance design is rooted in the natural fragrance materials loved by the nobles in ancient Rome, such as rose, jasmine, patchouli, cedar wood and amber, giving the product a deep historical heritage and exotic style.
Nourishing and skin-friendly	Specially added light nourishing ingredients, the fragrance gently cares for the skin, brings a silky touch, and avoids the dryness that traditional perfumes may bring.
Multifunctional use	The essence texture makes it flexible to be used on the pulse points of the body, the ends of the hair, and even clothes, allowing the fragrance to diffuse with you in the way that suits you best.

Roman Fragrance

LDZ-PL10092

Product Description:

Roman Body Fragrance Essence goes beyond the boundaries of traditional perfume to take you on an unprecedented journey of personalization. We know that everyone is unique, so we provide a highly customized service to ensure that your fragrance is not only fragrant, but also a perfect extension of your unique personality.

You can choose from our carefully crafted fragrance combinations, or work with our expert perfumers to draw inspiration from the classic fragrance library of ancient Rome to discover your own fragrance secrets. Whether you prefer the richness of rose and solemn patchouli, or the freshness of bergamot and tranquil sandalwood, we can capture and present it for you. This means that you can adjust the proportions of the

fragrance notes, or even add one or two of your favorite fragrance materials that were also highly regarded in ancient Rome, such as myrrh or frankincense, to make your fragrance story more complete.

Technical Parameter:

Physico-Chemical Properties	
Appearance	Transparent to pale yellow or specific color liquid

Longevity	above 6 hours

FUNCTIONS & APPLICATIONS

As a high-quality fragrance raw material, "Roman Perfume and Fragrance" integrates the luxury and natural healing essence of ancient Rome into modern life. Its application range far exceeds that of traditional perfume manufacturing, making your daily life full of unique Roman sentiment.

Core application areas	
Personal care	It can be used to make shower gel, scented soap, body lotion and conditioner. While cleaning and nourishing, it gives the skin and hair a lasting and unique Roman fragrance, enhancing the ritual sense of daily washing and care.
Home fragrance	It is an ideal choice for creating an atmosphere. It can be used in scented candles, flameless diffusers, room sprays and aromatherapy stones to fill the home with a warm, retro Roman atmosphere and create a unique living experience.
Other creative products	It can also be used to make scented bookmarks or letter paper, adding an elegant olfactory memory to your reading and writing.
	"Roman Perfume Fragrance" is committed to integrating the elegance and art of ancient Rome into every detail of life and customizing your exclusive fragrance.
