## Sweet Ginger Lily Fragrance

LDZ-PL10095

#### Product Description:

The scent of ginger flower essence is often described as fresh and sweet, like a mixture of gardenia and lily, with the sweetness of gardenia and the elegance of lily, and a light warm spicy scent. Its aroma is layered, with both rich floral fragrance and subtle spiciness similar to ginger, and the fragrance is highly penetrating and can be diffused to a larger range with the flow of air.

The inspiration for "Sweet Ginger Lily Fragrance Essence" comes from the unique combination of ginger flowers (usually wild ginger flowers or butterfly ginger) and pure lilies that bloom in the rainforest. It evokes warm and humid air, petals swaying in the breeze, and the mottled light and shadows of sunlight penetrating through the leaves.
