## FUNCTIONS & APPLICATIONS

We capture the richness and sweetness of pure chocolate and transform it into an alluring fragrance that can be diffused. It is not just an aroma, but also a "liquid chocolate" that can instantly light up your mood and bring warmth and happiness. When its mellow aroma permeates, you will feel that your tension is gently soothed, and your troubles will dissipate, as if you are surrounded by a sweet hug. This essential oil is unique and can quickly create a warm, romantic and seductive atmosphere for your space. It can effectively neutralize and cover up various odors, so that your home environment is always filled with a pleasant sweet scent.

In addition to being used in diffusers, tea mint essential oil can also be widely used in a variety of products due to its unique aroma and the natural properties of mint and tea, bringing different sensory and functional experiences.

Main application products:	
Diffuser (including rattan aromatherapy)	The most direct fragrance experience, making the space continue to be filled with warmth and sweetness, whether it is a living room, bedroom, office, or even a car environment, it can instantly enhance the atmosphere.
Aromatherapy candles	Create a warm and romantic atmosphere, especially suitable for festivals or nights when you need to relax. The candlelight and fragrance are intertwined to bring double sensory enjoyment.
Personal care products (such as shower gel, body lotion)	Incorporate this sweetness into daily washing and care, let the skin exude an attractive fragrance, and bring a unique and pleasant feeling.
Household cleaning products (such as fabric fresheners)	Give the cleaned space and fabrics a lasting sweet fragrance, making the home environment more comfortable and pleasant.
