Product Description

100% Concentrated Jean Paul Gaultier Le Male Essence (red) For Perfume Making Purity
LDZ-PL10169

Product Description:

Jean Paul Gaultier Le Male Essence de Parfum is a mature, sensual woody fougère fragrance for men, not a single ingredient. This fragrance is a woody fougère or oriental fragrance. The top notes are dominated by cardamom and bergamot, which bring a spicy and fresh start. The core of the middle notes is leather and lavender, which give it a unique smoky feeling and the freshness of classic fougère. The base notes are composed of precious woods, vanilla and tonka beans, which bring a lasting and warm sensory experience. "Red" does not refer to a specific spice, but symbolizes its bold, sensual characteristics, as well as the warm and spicy feeling brought by cardamom and woody notes.

Product Feature:

The core of this perfume lies in its sharp contrast and fusion. It belongs to the woody fougère, but boldly incorporates oriental spicy elements to create an olfactory experience that is both familiar and full of surprises.

Personality highlights	
Innovation and inheritance	It retains the iconic lavender element of the Le Male series, but cleverly combines it with subversive leather notes to bring a deeper and more masculine modern feel. This makes it both classic and exudes an uninhibited innovative spirit.
Sensual temptation	The unique spiciness of cardamom is intertwined with the warm and mellow taste of precious wood and vanilla, exuding an irresistible sexy charm. It is not ostentatious, but it can attract attention with its deep layering.
Confidence and strength	The rich fragrance gives the wearer a strong aura and confidence. It is suitable for men who are not afraid to express themselves, pursue unique tastes, and hope to show maturity and masculinity through perfume.
"Red" symbol	"Red" does not refer to a specific fragrance, but symbolizes the passion, power and richness of this perfume, just like the strong energy contained in the outline of its bottle.
Le Male Essence de Parfum is a perfume tailored for men who seek extraordinary and individuality. It elevates classic perfume elements to a new level and shows a unique modern masculine charm.	

The core notes of this fragrance	
Top notes	Fresh and spicy cardamom and bergamot for a unique opening.
Middle notes	Iconic leather blends with classic lavender to give the fragrance a smoky, warm and masculine texture.
Base notes	Deep and lasting precious woods such as cedar and sandalwood, as well as smooth vanilla and tonka beans, create an alluring and comfortable finish.

Storage Conditions	It is recommended to store in a sealed container, away from light and heat, in a cool and dry place.
Shelf Life	Typically 1-3 years (under proper storage conditions)

FUNCTIONS & APPLICATIONS

This essential oil provides a highly restored Jean Paul Gaultier classic scent in high concentration, achieving multi-dimensional applications of fragrance in personal care and home environments.

Application Category	Specific product examples	Specific product examples
DIY Perfume	Homemade perfume, cologne, and roll-on perfume oils	Highly concentrated, can be mixed with alcohol/base oil according to preference and safe proportion to create a personalized fragrance; the scent highly restores the brand's classic fragrance.
Body Care	Fragrance lotion, shower gel, shampoo, soap, bath salts, body oil	Adds a long-lasting, attractive scent to unscented base products; can be used in skin contact products after safe dilution to enhance the user experience.
Home Fragrance	Aromatherapy candles, diffusers, air fresheners, fabric sprays, diffuser oils, scented sachets, dried flowers	Create a pleasant indoor atmosphere and remove odors; the fragrance diffuses well and lasts long, which can effectively beautify the home environment.
