Product Description

Pure Plant Extract Patchouli Fragrance Essence For Perfume With Free Sample LDZ-PL10214

Product Description:

Our Patchouli fragrance is made for you who seek uniqueness and depth. It is more than just a scent, it is an attitude, a statement of uninhibited personality.

This fragrance is deep and layered, exuding a rich earthy fragrance and the original scent of damp wood, as if taking you deep into the forest after the rain, the vitality of the soil and trees is overwhelming. In the meantime, a subtle hint of spiciness and sweetness is hidden, giving the fragrance a wild agility instead of dullness.

As the soul tone of the perfume, it gives the perfume a lasting and warm amber background, ensuring that your unique fragrance lingers for a long time and is unforgettable. Whether it is to create a mysterious oriental tone or to inject a hint of uninhibitedness into a fresh floral scent, it is your secret weapon.

Choosing Patchouli fragrance is choosing to be different and let your fragrance become the most direct expression of your personality. This is not only an enjoyment of the sense of smell, but also a resonance of the soul.

Product Feature:

Patchouli essence, derived from the charming soul of exotic lands, is specially created for you who pursue a unique fragrance experience. It transcends tradition and shows a unique personality charm with its iconic earthy woody tone.

This is not just a fragrance, but also a profound expression: the mellowness of moist soil, the tranquility of ancient forests, interweaving a subtle sweetness and spiciness, each fragrance tells of mystery and wildness. It is not ostentatious, but has a strong sense of presence, like an introverted and story-rich traveler, inviting people to explore.

High-quality patchouli essential oil ensures its purity and excellent fragrance retention, injecting lasting vitality into your perfume works. Whether it is to create a calm and atmospheric oriental tune, or to give a deep background to fresh florals, patchouli can sublimate the overall fragrance with its unique "root" power, making it more layered and intriguing.

Choosing patchouli is to choose a unique, deep and visionary fragrance philosophy. It does not follow trends blindly, but exists only for you who appreciate its unique charm. Let your perfume have a distinctive and hard-to-copy fragrance mark like patchouli.

Patchouli Fragrance

LDZ-PL10214

Technical Parameter:

Parameter Category	Specific parameters	Description and sample data
Aroma characteristics	Olfactory description	Rich earthy, woody aroma with a moist, slightly sweet and slightly spicy character
	Intensity	High, typical of concentrated essential oils.
	Longevity	The fragrance can last for 8-72 hours and has strong diffusion properties.
Physical and chemical properties	Appearance	Usually yellow to brown transparent liquid
	Specific Gravity	0.900 - 1.050
	Refractive Index	1.4500 - 1.5500
	Flash Point	Usually above 70°C, ensuring safe use.
Chemical composition	Main ingredients	It mainly contains citronellol, geraniol (from rose), linalool, benzyl acetate (from ylang ylang), etc., and meets IFRA standards.

	Purity	The purity of high-quality extract can reach over 95%.
Stability	Storage conditions	Store in airtight container in a dark and cool place, ideally at 15-25°C.
	Shelf life	After 2-5 years, some high-quality agarwood and amber will "mellow" over time and have a better aroma.

FUNCTIONS & APPLICATIONS:

Patchouli Essence Product Application		
Product Categories	Specific application examples	Main purpose/effect
perfume	Oriental, chypre, woody fragrances (core ingredients); floral, citrus fragrances (deepening, fixing).	Create fragrances with depth, longevity and character, offering warm sensuality or mysterious exotic scents.
Home Fragrance	Scented candles, diffusers, room sprays, aromatherapy stones, scent sachets.	Create a tranquil, meditative, retro or exotic home environment to enhance living comfort and atmosphere.

Personal Care	Shower gel, handmade soap, body lotion, hand cream, massage oil.	It gives toiletries a long-lasting and unique fragrance, enhances user pleasure, and may provide potential skin care benefits.
Aromatherapy	Massage oils, inhalation with an aromatherapy diffuser (in the form of essential oils or fragrances containing essential oils).	Relieves stress and anxiety, promotes emotional balance and relaxation, and helps grounding.
Textile Care	Clothes air freshener, drawer sachets.	Gives clothing a unique scent and takes advantage of its traditional insect repellent properties.
