Product Description

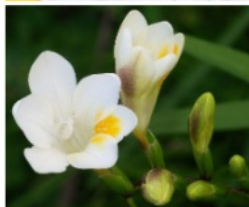

Shampoo Essence Summer Green Tea Fragrance For Shower gel Making Concentrated LDZ-PL20079

Product Description:

This "Summer Green Tea Fragrance" is an olfactory artwork dedicated to shampoo. It captures the purity of the midsummer sunshine and the green tea garden, condensing freshness, vitality and tranquility in one drop.

When it touches the hair lightly, the top notes of lemon and green apple awaken the senses like morning dew, fresh and bright. Then, the green tea core of the middle note blooms quietly, accompanied by the elegance of freesia and the coolness of mint, like a mountain breeze blowing over the tea tree, bringing a deep and healing calm. Finally, the base notes of white musk and cedar linger softly, leaving a lasting and textured elegant aftertaste in the hair.

It is not only a fragrance, but also a ritual that sublimates daily washing and care into a physical and mental rest. Let your product stand out in the market and bring users pure pleasure beyond cleaning. Every breath is a gentle tribute to the beauty of summer.

Product Feature:

This unique "Summer Green Tea Fragrance" is specially customized for shampoo, perfectly combining the purity of green tea with the vitality of summer sunshine, injecting a unique olfactory soul into your products.

Fragrance characteristics	
Top Notes	Open with the vitality of fresh lemon, bergamot or crisp green apple, instantly uplifting the spirit, bringing a bright and vibrant scent like a summer morning, injecting immediate freshness into the washing experience.
Heart Notes	The core is a pure and soothing green tea note, accompanied by elegant freesia, jasmine or a hint of mint. This layer of fragrance provides a deep and balanced green, as if you are in a dewy tea garden, feeling the tranquility and freshness of nature.
Base Notes	Finish with soft white musk, amber or subtle cedar, bringing warm and lasting support to the overall fragrance, ensuring that the fragrance still leaves a pleasant and elegant aftertaste in the hair after rinsing, which is neither heavy nor memorable.

Summer Green Tea Fragrance

LDZ-PL20079

Technical Parameter:

Product Name	Summer Green Tea Fragrance	Appearance	Colorless to pale yellow clear liquid
Odor	Typical summer green tea fragrance, fresh, vibrant, natural, with good compatibility with shampoo base.	Country of Origin	China
Flash Point	> 70°C	Specific Gravity	0.900 - 1.000
Refractive Index	1.4500 - 1.5000	Solubility	Easily soluble in ethanol, oils
Storage	Generally, store in a cool, dry, and ventilated area away from heat sources and protected from light, in tightly closed original containers.		
Heat Stability	Stable at specified temperature (e.g., 45°C) for X days/months, no significant change in fragrance.)	IFRA	Match the IFRA standard
Cold Stability	Stable at specified temperature (e.g., 0°C) for X days/months, no turbidity, layering, or precipitation.)	Light Stability	(Exposure to simulated sunlight or UV for X hours, fragrance and color changes within acceptable limits.)

FUNCTIONS & APPLICATIONS:

FUNCTIONS	
Core Features	Detailed Description
Unique aroma	Infuse the shampoo with a unique "summer green tea" fragrance, which is refreshing and energetic, and establishes the product's personality and recognition.
Enhance sensory experience	Soothes the body and mind, brings a pleasant and relaxing washing and care experience, enhances product appeal through olfactory pleasure, and promotes consumer favorability and loyalty.
Effectively mask odor	It cleverly covers any chemical odors that may exist in the matrix, making the product smell more harmonious and pleasant, ensuring a pure fragrance experience.
Long-lasting fragrance effect	Advanced technology is used to ensure that the fragrance remains in the hair after shampooing and rinsing, prolonging the feeling of freshness and improving user satisfaction.

APPLICATIONS	
Main application areas	Specific product categories
Shampoo and hair care products	Shampoo: Daily cleansing, oil control, refreshing type, summer limited series. Conditioner: Paired with shampoo to provide a consistent fragrance.
Body Cleansing Care	Shower Gel/Shower Gel: Expand the fragrance experience to the whole body, bringing comprehensive pleasure to consumers.
Hair fragrance and care	Conditioning Spray/Leave-In Conditioner: Provides a pleasant scent for products that require light fragrance and quick moisturization.
Professional scalp care	Scalp Scrub/Essence: The natural and refreshing feeling of green tea is perfectly in line with the concept of scalp health care.

Formula compatibility and stability	Optimization of various water-based systems and surfactants ensures that the flavors do not stratify or change color in the final product, and that the aroma is stable and long-lasting, providing a solid foundation for product research and development.
