## Product Description

### Free Sample Good Girl Fragrance Essence For Perfume Making Concentrated LDZ-PL10152

#### Product Description:

This highly concentrated essential oil is like a delicate symphony of scents. The top notes start with seductive almonds and refreshing coffee, instantly awakening the senses. The middle notes are full of fragrant tuberose and elegant Sambac jasmine, like a white sea of flowers blooming under the moonlight, elegant and charming. Finally, warm tonka beans and mellow cocoa are precipitated as the base notes, leaving a long-lasting seductive aftertaste, deep and intoxicating.

Good Girl Fragrance Essence is an ideal choice for perfumers and DIY enthusiasts. Whether creating personalized perfumes, body sprays, or injecting soul into candles and soaps, it can make your works exude a lasting and unique charm. Its rich and layered fragrance will accompany you through every extraordinary moment.

#### FUNCTIONS & APPLICATIONS:

The core function of Good Girl Fragrance Essence lies in its excellent performance as a highly concentrated aromatic medium. It not only provides the iconic "Good Girl" complex fragrance - a blend of almond and coffee, the rich middle notes of tuberose and sambac jasmine, and the deep base notes of tonka beans and cocoa - but also gives you the ability to fine-tune the intensity of the fragrance. Its refined formula ensures that the final product has excellent fragrance retention and diffusion, allowing the fragrance to diffuse for a long time and elegantly. This essence can be used as the core base of your creation, or perfectly blended with other fragrances to achieve unique fragrance customization, thereby sublimating unscented products into works of art full of sensory appeal, accurately conveying specific emotional atmospheres and brand narratives.

Good Girl Fragrance Essence has expanded the boundaries of fragrance creation with its extraordinary versatility. In the field of perfumery, it is the ideal raw material for the preparation of fine perfumes (EDP/EDT), convenient ball essential oils and solid balms. Its application range extends widely to the body care series, such as injecting luxurious fragrance into lotions, shower gels, soaps, shampoo and hair care products, and even bath bombs and bath salts. In addition, in the field of home fragrance, it can be perfectly integrated into scented candles, flameless aromatherapy and space sprays to create a pleasant atmosphere. Whether it is mass production in professional workshops or personalized DIY creations, Good Girl Fragrance Essence will be the cornerstone of your realization of diversified fragrance product development and customized gift production, showing the unique style of your brand or individual.
