

Lavender Rose Concentrated Laundry Fragrance Oil ISO Grade

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Plant
- Certification: COA,MSDS,IFRA,CE,ISO
- Model Number: LDZ-PL50220
- Minimum Order Quantity: 1KGS/To Be Negotiated
- Price: 1-49 Kilograms \$20.00, To Be Negotiated
- Packaging Details: Carton Drum Packing :5kgs/drum,4 Drum/carton,20kgs/carton(41*28*33.5cm);Iron Drum Packing: 25 Kg/drum (D: 30cm, H: 45cm)(0.032cbm)
- Delivery Time: 3-5 Working Days For Trial Order; 5-10 Working Days For OEM Order
- Payment Terms: L/C,T/T,Western Union,MoneyGram
- Supply Ability: 2000 Kilogram/Kilograms Per Day

Product Specification

- Customized Service: Welcome
- Application: Detergent Making
- Odor: With The Aroma Of Scented Like Lavender
- From: Liquid Concentrate Oil
- Concentrated Formula: Yes
- Hypoallergenic: Yes
- Samples: Support Free Samples
- Grade: ISO Grade
- Stain Removal: Effective
- Other Names: Fragrance Oil
- Ingredients: Plant-based
- Color: Ligth Yellow
- Scent: Fresh Linen
- Fragrance Type: Fresh
- Add Ratio: 1%-5%

Product Description

Blue Rose (Lavender) Fragrance Flavor Concentrated For Laundry Products Free Sample LDZ-PL50220

Product Description:

"Blue Rose (Lavender)" is a concentrated fragrance designed specifically for laundry products. Its unique blend of the elegance of classic rose and the soothing warmth of lavender is a perfect blend. This fragrance is designed to impart a long-lasting, refreshing, and complex fragrance to your clothes, transforming everyday laundry into a delightful sensory experience.

This fragrance's formula has been specially optimized for exceptional longevity and heat resistance, allowing it to withstand high-temperature washing and drying processes, ensuring the fragrance molecules remain firmly attached to fabrics. Its highly concentrated nature ensures a noticeable fragrance effect even at low addition levels. Furthermore, it is perfectly compatible with a wide range of laundry product formulations (such as liquid laundry detergent, powder laundry detergent, and fabric softener), without affecting the product's stain removal and conditioning properties.

Product Feature:

Top Note:	The fragrance opens with fresh and lively bergamot and crisp green notes, like morning dew, delivering an immediate feeling of cleanliness and vitality.
Middle Note	At its core lies the signature "Blue Rose," not a single note. Rather, through ingenious perfumery techniques, the rich romance of rose and the tranquil herbal aroma of lavender are seamlessly interwoven to create a unique, dreamy floral fragrance imbued with a blue hue. This combination retains the sweetness of rose while infusing it with the freshness and soothing power of lavender, resulting in a unique fragrance that is both elegant and calming.
Base Note	Warm sandalwood and soft musk provide a base note that provides a lasting, profound foundation for the fragrance. They ensure the scent lingers long-lastingly within fabrics, radiating a delightful fragrance even after drying.

Technical Parameter:

Concentration	Fragrance Oil Content $\geq 98\%$
Fragrance Profile	Modern floral fragrance (main notes: rose, lavender)
Appearance	Colorless to light yellow transparent liquid
Relative density	Approx. 0.90 - 1.00 g/cm ³ @ 25°C
Refractive index	1.40 - 1.48 @ 20°C
Flash point	> 75°C (200°F)
pH stability	2.0 - 11.0 - Suitable for a wide range of detergent formulations, resistant to acids and alkalis.
Volatile organic compound (VOCs) content	< 1% - Environmentally friendly formula that meets regulatory standards such as the California Air Resources Board (CARB).
Recommended Dosage	0.2% - 0.8% (based on the total weight of the candle)
Substantivity	Excellent - The scent remains lingering on fabric fibers after multiple washes and dryers.
Compatibility	Excellent - Compatible with surfactants, additives and active ingredients in various detergent formulations without affecting their functionality
Solubility	Easily soluble in ethanol and propylene glycol to ensure uniform dispersion in the formula
Compatibility	Compatible with most anionic, nonionic, and zwitterionic surfactants
Shelf Life	Store in a cool, dark place, shelf life 24 months
Standard(IFRA Compliance)	It complies with the International Fragrance and Fragrance Association (IFRA) standards and has passed skin irritation testing to ensure its safety in home environments.

FUNCTIONS & APPLICATIONS

The core function of the "Blue Rose (Lavender)" fragrance concentrate is to impart a unique and long-lasting aroma to laundry products. It utilizes advanced microencapsulation or fragrance retention technology to ensure that the fragrance molecules are stably attached to clothing fibers, slowly releasing even after repeated rinsing and drying cycles, providing exceptional long-lasting fragrance.

This professionally optimized formula offers excellent heat resistance and pH stability (pH 2.0 - 11.0), effectively withstanding high-temperature washes and the acidic and alkaline environments found in various detergent formulations, ensuring consistent fragrance without degradation. Furthermore, this fragrance exhibits excellent compatibility with common detergent ingredients, including surfactants, enzymes, and preservatives, without compromising the product's cleaning or conditioning properties, and preventing formulation issues such as stratification and turbidity, providing manufacturers with a stable and reliable solution.

The versatility of Blue Rose (Lavender) fragrance allows it to be used in a wide range of household and professional laundry products, creating a differentiated product line for your brand. Specific applications include:

Liquid Detergent	Used in the creation of Blue Rose (Lavender) Fragrance Laundry Liquid, which provides a deep clean while leaving clothes smelling fresh.
Fabric Softener	Used in the creation of Blue Rose (Lavender) Long-Lasting Fragrance Softener, which softens fabrics while enhancing the longevity and comfort of the fragrance.
Laundry Pods	Used in the creation of Blue Rose (Lavender) Laundry Pods, combining efficient cleaning with ease of use while delivering a high-quality fragrance experience.
Laundry Powder	Used in the creation of Blue Rose (Lavender) High-Performance Long-Lasting Fragrance Laundry Powder, ensuring a stable and rich fragrance even in powder form.
Fabric & Room Spray	Create a "Blue Rose (Lavender) Fabric Fragrance Spray" for a refreshing fragrance addition to your everyday clothes and home.

Our products are strictly approved by a list of certifications, such as ISO22000, COA, MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

Support and Services:

We definitely have the fragrance essence oils you need!

The Plant Flavours & Fragrance company has a R&D team consisting several PH.Ds and senior engineers, and has established associated laboratory with many universities and college. Meanwhile the company integrates global technology, information and resource to keep advantage of our products and services by continuous innovation on natural ingredients. The company has always been closed to assist customers to improve the aroma of products and structure of the quality and reduce production costs, tailored to customers, to meet the aroma needs of different daily necessities, we are one of the best enterprises of cost and services in the industry.

Fragrance Oil for perfume making, We Support OEM Your Own Scent Or Other Classical flavor. Contact Us For Inquiry NOW.

Where there are fragrance, there are plant flavor.

The reason why our enterprise develops so rapidly is that we gradually meet the demands of our customer by improving the quality of their products and shortening their good deliver time. In case of urgent demands of customers, we adopt our contingency measures to help our customers solve the problem in time.

Meantime, we offer Training and Education on fragrance formulation and usage for the customized who interested in our fragrance.

Our Fragrance Oil product comes with comprehensive technical support and services to ensure that our customers have a seamless experience.

We offer:

1. Product usage instructions and guidance;
2. Expert advice on fragrance selection;
3. Technical support for any issues or concerns;
4. Product customization services;
5. Assistance with regulatory compliance.

Packing and Shipping:

Product Packaging:

Pack Type	QTY	Specification	Volume
Plastic Bottle	5kgs	L41*W28*H33.5cm 5kg*4 bottle per carton	0.038cbm
Metal Barrel	25kgs	D30*H45cm	0.032cbm
Jerry Can	20-25kgs	L29.5*D29.5*H41cm	0.33cbm

Shipping:

After the payment, we'll arrange the production of your order ASAP. Normally, It will take 3-5days for trial order with small quantity, around 5-10 days for bulk order. Before shipping out, we'll take photos of the goods for confirmations with clients, or supply bulk sample for confirmation as well.

We offer shipping goods by ship, by air ,by truck , and by express, according to the clients requirements.
