Product Description

Concentrated Love Spell Fragrance For Perfume Making Eau de Parfum LDZ-PL10220

Product Description:

Concentrated Love Spell Fragrance is a professionally formulated perfume concentrate designed to capture the essence of romance, enchantment, and playful allure. This complex and captivating blend is celebrated for its intoxicating and sweet, yet sophisticated, olfactive profile. The fragrance opens with a vibrant and juicy burst, typically featuring a lush and fruity accord of peach, cherry blossom, and red apple. This initial top note creates an immediate impression of youthful joy and irresistible sweetness, drawing the user into its magical world.

Moving to the heart, the "Love Spell" reveals a delicate and enchanting floral core. A bouquet of soft, romantic notes like lilac, lily of the valley, and freesia provides a graceful and ethereal quality. These floral mid-notes are carefully balanced to avoid being overpowering, instead lending a gentle, airy sophistication that evokes the feeling of a blooming secret garden. The floralcy is what gives this fragrance its signature spellbinding charm, offering a sense of light-hearted elegance.

The true magic unfolds in the rich and sensual base. A warm and inviting foundation is built upon a creamy accord of vanilla and musk, which provides a smooth, lingering warmth. This is often accompanied by a hint of sandalwood or white woods, adding a subtle, grounded depth that enhances the overall longevity and sillage. This concentration is a perfect foundation for creating eau de parfums, body mists, and other fine fragrance products that embody a flirty, feminine, and utterly captivating persona. Its professional-grade formulation ensures stability and superior performance across various applications.

Product Feature:

Concentrated Love Spell Fragrance is a professionally crafted perfume concentrate designed to evoke a sense of playful romance and enchanting allure. Its aromatic profile is built on a vibrant and multi-layered pyramid.

Top notes	The top notes provide an immediate, captivating introduction with a lush fruity accord. A bright and succulent Peach Nectar creates a juicy, sweet opening, perfectly complemented by the crisp, fresh scent of Red Apple. This is further elevated by the airy and delicate aroma of Cherry Blossom, which adds a touch of fleeting, floral lightness that feels both youthful and sophisticated.
Middle notes	The heart of the fragrance, or middle notes, reveals its romantic and bewitching floral character. A sweet and powdery Lilac note offers a soft, nostalgic bouquet, while the green, dewy freshness of Lily of the Valley adds a clean, ethereal quality. These are beautifully intertwined with the gentle, clean floralcy of Freesia, which provides an elegant transition from the fruity top notes.
Base notes	The base notes provide a soft, sensual, and lasting finish. A creamy and comforting Vanilla Bean accord offers a warm, gourmand sweetness that wraps the fragrance in a cozy embrace. This is anchored by a whisper of clean Musk, which enhances the longevity and provides a smooth, skin-like dry-down. A subtle hint of White Woods gives the base a clean, grounding structure without overpowering the delicate florals.

Technical Parameter:

Product Name	Concentrated Victory Fragrance Essence Oil
Fragrance Profile	True to its intended scent, presenting a harmonious blend of fruity, floral, and musky notes. The concentrate's profile remains stable throughout its shelf life under proper storage.
Appearance	Clear, mobile liquid, typically a pale yellow to light amber color.
Middle Note Duration	2-4 hours

Base Note Longevity	6-8 hours or longer
Relative density	Approx. 0.980 to 1.020 g/cm ³ @ 25°C
Refractive index	1.45-1.55 (20°C)
Flash point	70°C (158°F)
Ingredients	Natural & Synthetic Aromatic Compounds
Suggested Dilution Ratio	1:15 Oil:Solvent for EDT
Longevity	Better than common fruity flavors on the market, 6-8 hours effective longevity
Solubility	Soluble in alcohol (ethanol, perfumer's alcohol), Dipropylene Glycol (DPG), and other common fragrance solvents. Insoluble in water without a solubilizing agent.
Volatility	Low Volatility, Long-lasting Scent
Storage Conditions	10-25°C, away from light and ignition sources
IFRA Compliance	Conforms to the safety standards of the International Fragrance Association (IFRA).
Color Stability	Excellent
Stability	Stable under recommended conditions; may separate below 0°C
Shelf Life	36 Months, Store away from light
Application	Fine Perfumery, Aromatherapy, Personal Care
Evaporation Rate	Slow Evaporation Rate Compared with alcohol-containing perfumes, its evaporation rate is significantly reduced, making the evolution of the fragrance smoother and more delicate, with richer layers, avoiding the problem of rapid dissipation of the fragrance.

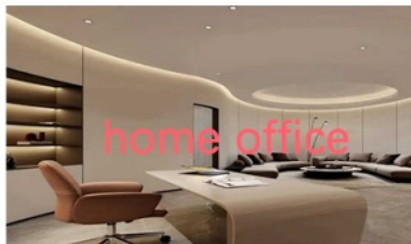

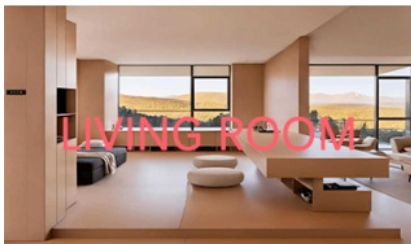

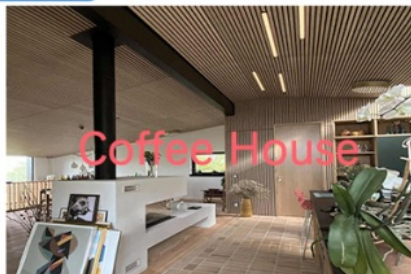

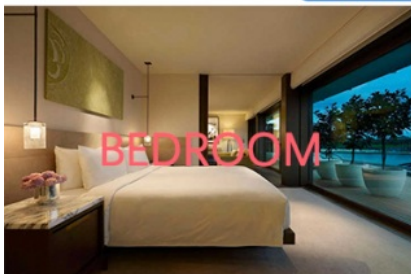

FUNCTIONS & APPLICATIONS

Concentrated Love Spell Fragrance is a specialized perfume concentrate designed to be the central aromatic component in a variety of scented products. Its primary function is to provide a complete, stable, and long-lasting scent profile that is a signature blend of fruity and floral notes. This concentration is a pre-blended solution, saving the perfumer from the complex task of individually sourcing and mixing multiple essential oils and aroma chemicals. It ensures that the final product will have a consistent scent, from the initial spritz to the lingering dry-down. The blend's function is to be an emotionally evocative fragrance, designed to be both playful and enchanting, making it a powerful tool for creating products that appeal to a sense of youthful romance and fun.

applications

The technical stability and appealing scent profile of Concentrated Love Spell Fragrance make it a highly versatile ingredient in the creation of numerous products across different categories.

Fine Fragrance	It is most popularly used to create personal scent products like Eau de Parfum, Eau de Toilette, and Body Mists. Its balanced composition allows for a strong scent throw and a pleasant, multi-hour wear.
Body Care Products	This fragrance is widely applied in products that come into direct contact with the skin. Examples include Body Lotions, Shower Gels, Body Butters, and Soaps (both cold process and melt and pour). Its use in these products adds a luxurious and memorable scent experience that lingers on the skin.
Home Fragrance	The concentrate's robust scent makes it an excellent choice for items designed to scent a living space. This includes Reed Diffusers, Room Sprays, and various types of Candles (e.g., soy, paraffin). In these applications, it provides a powerful and consistent aroma that can fill a room

applications

Our Advantages:

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA, MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

Support and Services:

We definitely have the fragrance essence oils you need!

The Plant Flavours & Fragrance company has a R&D team consisting several PH.Ds and senior engineers, and has established associated laboratory with many universities and college. Meanwhile the company integrates global technology, information and resource to keep advantage of our products and services by continuous innovation on natural ingredients. The company has always been closed to assist customers to improve the aroma of products and structure of the quality and reduce production costs, tailored to customers, to meet the aroma needs of different daily necessities, we are one of the best enterprises of cost and services in the industry.

Fragrance Oil for perfume making, We Support OEM Your Own Scent Or Other Classical flavor. Contact Us For Inquiry NOW.

Where there are fragrance, there are plant flavor.

The reason why our enterprise develops so rapidly is that we gradually meet the demands of our customer by improving the quality of their products and shortening their good deliver time. In case of urgent demands of customers, we adopt our contingency measures to help our customers solve the problem in time.

Meantime, we offer Training and Education on fragrance formulation and usage for the customized who interested in our fragrance.

Our Fragrance Oil product comes with comprehensive technical support and services to ensure that our customers have a seamless experience.

We offer:

- 1.Product usage instructions and guidance;
2. Expert advice on fragrance selection;
3. Technical support for any issues or concerns;
4. Product customization services;
- 5.Assistance with regulatory compliance.

Packing and Shipping:

Product Packaging:

Pack Type	QTY	Specification	Volume
-----------	-----	---------------	--------

Plastic Bottle	5kgs	L41*W28*H33.5cm 5kg*4 bottle per carton	0.038cbm
Metal Barrel	25kgs	D30*H45cm	0.032cbm
Jerry Can	20-25kgs	L29.5*D29.5*H41cm	0.33cbm

Shipping:

After the payment, we'll arrange the production of your order ASAP. Normally, It will take 3-5days for trial order with small quantity, around 5-10 days for bulk order. Before shipping out, we'll take photos of the goods for confirmations with clients, or supply bulk sample for confirmation as well.

We offer shipping goods by ship, by air ,by truck , and by express, according to the clients requirements.
