Product Description

1kg Lavender & Patchouli Fragrance Oil For Scented Soap & Shampoo & Shower Gel

Product Code: LDZ-PL20144

Product Description

Lavender & Patchouli Fragrance Oil is a sophisticated and complex scent designed for professional soap and shampoo making. This fragrance oil masterfully blends two classic aromatic profiles to create a unique, balanced, and deeply therapeutic aroma. It is a harmonious marriage of the clean, floral, and herbaceous notes of lavender with the rich, earthy, and musky undertones of patchouli.

The fragrance opens with the instantly recognizable, calming scent of fresh lavender fields—a top note that is clean, slightly sweet, and aromatic. This is soon followed by the warm, slightly spicy, and deeply woody notes of patchouli. The base notes are a lingering combination of both essential profiles, ensuring the scent is long-lasting and well-rounded.

Product Features

The Lavender & Patchouli Fragrance Oil is a professionally crafted scent that offers a rich, layered aromatic experience, perfect for creating luxurious soaps and shampoos.

Top notes	A vibrant and refreshing burst of aromatic lavender, clean and herbaceous with slight floral tones, evoking fresh lavender fields.
Middle notes	Rich and earthy patchouli with woody, musky, and slightly sweet undertones, adding complexity and sophistication.
Base notes	Lingering combination of dry, resinous patchouli and subtle lavender sweetness, providing excellent staying power.

Technical Parameters

Product Name	Lavender & Patchouli Fragrance Oil
Fragrance Profile	Floral & Earthy
Appearance	Clear, colorless to pale yellow liquid
Relative Density	Approx. 0.90 - 0.98 g/cm³ @ 25°C
Flash Point	190°F - 210°F (88°C - 99°C)
Phthalate-Free	Yes

Shelf Life

36 Months (Store away from light)

Functions & Applications

Lavender & Patchouli Fragrance Oil serves the function of imbuing soap products with a complex, calming, and sophisticated scent. Its application spans various soap-making methods including Cold Process Soap and Melt & Pour Soap.

- Excellent stability in cold process soap making
- Easy incorporation in melt & pour soap bases
- Ideal for therapeutic bath soaps and aromatherapy bars
- Compatible with shampoo bases without affecting clarity or viscosity
- Provides long-lasting scent that clings subtly to hair
