Product Description

Verbena Essence Fragrance Oil For Reed Sticks & Diffusers Concentrated

LDZ-PL30265

Product Description

Verbena Essence is a vibrant and invigorating fragrance oil specifically crafted for use with reed sticks and diffusers. This professional-grade scent captures the crisp, clean, and uplifting aroma of fresh verbena, enhanced with a sophisticated blend of complementary notes.

Ideal for creating a fresh, clean, and positive atmosphere in any space, Verbena Essence is a modern and elegant scent that appeals to those who appreciate a bright, natural, and sophisticated aroma. Its professional formulation ensures continuous and effective diffusion, providing a consistent, delightful scent experience.

Product Features

Verbena Essence is a refreshingly bright fragrance oil, meticulously composed to provide a multi-layered and invigorating scent experience via reed sticks and diffusers. The fragrance unfolds in a classic three-tiered structure, ensuring a dynamic and long-lasting aroma.

Top Notes	The scent journey begins with vibrant top notes featuring the crisp, tangy essence of verbena, enhanced by Italian lemon and mandarin for a clean, sparkling sweetness.
Middle Notes	Reveals sophisticated middle notes with delicate jasmine, green tea, and geranium leaf for depth and elegance.
Base Notes	Settles into smooth base notes of white musk and blonde woods for a refined, fresh, and enduringly pleasant finish.

Functions & Applications

Verbena Essence fragrance oil serves as an effective, passive room air freshener and ambiance setter. Its specialized formulation ensures optimal capillary action for even diffusion, effectively neutralizing unwanted odors with a fresh, clean scent.

The bright citrusy notes of verbena have an invigorating and mood-lifting effect, making this fragrance ideal for creating a stimulating and positive atmosphere in various settings including living rooms, kitchens, home offices, and bathrooms.

For optimal use, pour the fragrance oil into a diffuser vessel and insert reed sticks. Adjust the number of reeds to control scent intensity. The oil can also be professionally diluted for use in electric cold-air diffusers or custom home fragrance products.
