Product Description

Natural Grape Essential Oil for Food & Beverages

Premium flavoring agent designed for food and beverage applications, delivering a rich gourmand grape profile reminiscent of grape jelly, candy, or soda.

Product Code: LDZ-PL100053

Flavor Profile

This essential oil provides a distinct, full-bodied Concord grape note with gourmand characteristics:

Sweetness and Depth	Juicy Complexity
Notes of cooked sugar, candy, or subtle vanilla/caramel that provide an indulgent, creamy richness.	The primary flavor is an intensified, almost syrupy, ripeness, distinguishing it from tart, wine-like grape flavors.

Note Structure

Top Notes	Middle Notes	Base Notes
-----------	--------------	------------

Strong, immediate lift of Concord Grape flavor reminiscent of fresh juice, candy, or soda, supported by tart fruit notes like Red Grape skin, Plum, or Berry.	Where the gourmand character fully develops as the primary grape note deepens and softens, blending with cooked sugar aromas.	Provides long-lasting, creamy sweetness that anchors the flavor with heavy, slow-evaporating notes.
