Product Description

Concentrated Rose of No Man's Land Fragrance Essence For Perfume Making

LDZ-PL10207

The original fragrance is a tribute to the selfless and compassionate World War I nurses, affectionately nicknamed the "Rose of No Man's Land." The scent captures a duality: the delicate, soothing nature of the flower paired with a clean, resilient, and slightly spicy strength. It is described as a pure, slightly jammy, yet clean Turkish rose, feeling modern and un-cloying.

Fragrance Profile

Top Notes	Pink Pepper and Turkish Rose Petals provide a fresh, zesty, and subtly spicy opening.
Heart Notes	The core is a deep, floral blend of Turkish Rose Absolute (giving richness and velvety texture) and a touch of fruity sweetness from Raspberry Blossom.
Base Notes	The foundation is warm, dry, and woody, featuring Papyrus for an earthy, green, and dry woodiness, coupled with comforting, resinous White Amber.

Technical Specifications

Product Name	Concentrated Rose of No Man's Land Fragrance Essence
Fragrance Profile	Floral-Aromatic
Flash Point	>90°C (>200°F)
Specific Gravity	0.9730 to 0.9850
Refractive Index	1.4723 to 1.4825
Appearance	Clear to slightly amber liquid
Middle Note Duration	2-4 hours
Base Note Longevity	6-8 hours or longer
Recommended Usage	Fine Fragrance Max Usage: ≈9.44% to 12.90% Soap Max Usage: ≈3.74% to 5.10%
Solubility	Soluble in alcohol, DPG; insoluble in water
Vanillin Content	1% to 2.40%
Shelf Life	12-24 months when stored properly
IFRA Compliance	Conforms to international safety standards

Applications

That concentrated Rose of No Man's Land essence is highly versatile in bespoke perfume creation, owing to its modern, dual-natured rose profile (spicy/clean/warm).

Core Applications in Perfumery	
Fine Fragrance	This is the primary use. The concentrated essence is diluted with a carrier.
	Alcohol Base:To create an Eau de Parfum (EDP) or Extrait de Parfum (higher concentration). The essence is typically diluted to a concentration of 15% to 33% in perfumer’s alcohol.
	Oil Base:To create an alcohol-free perfume oil (roll-on). Top carrier oils for skin and longevity include Jojoba Oil or Fractionated Coconut Oil (FCO), which are neutral, non-greasy, and help the scent last longer on the skin.
	Layering Base:Its clean, slightly spicy, and warm base notes (Papyrus and White Amber) make it an excellent foundation for scent layering. It pairs well with: Vanilla/Gourmand Notes: For a sweeter, creamier, and more comforting rose.
	Fresh Citrus: To amplify the pink pepper and give the rose a brighter, zesty lift. Oud/Woody Accords: To deepen the papyrus note, making the final scent more complex and masculine-leaning.
Other Scented Products	
Body Care	Used to scent body lotions, creams, and solid balms.

Home Fragrance	Employed in reed diffusers (diluted in a diffuser base) or to create luxury fragrance sprays for linen and rooms.
Candles and Melts	Formulated into luxury candles, though specific testing is required as certain fragrance essences interact differently with wax.

Our Advantages

Very Sexy Sea is highly versatile but excels as a Spring and Summer staple due to its refreshing and aquatic-floral character.

Ideal Applications:

Daytime Wear: Its light, fresh, and non-overpowering nature makes it perfect for everyday use, whether for running errands, casual daytime outings, or office use where a sophisticated but clean scent is desired.

Warm-Weather Occasions: The scent truly shines in hot weather, embodying the carefree, breezy feeling of a beach vacation, pool party, or outdoor summer event.

Romantic/Date Nights: Though fresh, the "Very Sexy" branding and warm, woody cedar base give it a seductive quality, making it a good choice for date nights, as it is described as a "romantic fragrance."

Layering: As an extension of the iconic Very Sexy line, it can be layered with matching fragrance lotions or mists to enhance its richness and maximize its longevity on the skin. Application is best on warm pulse points like the wrists, behind the ears, and the neck.

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications,such as ISO22000,COA
