Product Description

Free Sample Oatmeal & Goat Milk Fragrance For Shower gel & Shampoo Making

LDZ-PL20152

The fragrance , "Oatmeal & Goat Milk," is a highly popular scent blend in the soap and cosmetic crafting community. It is a comforting, soothing, and subtly sweet aroma designed to complement the natural, creamy, and gentle qualities of real oatmeal and goat milk ingredients. The overall impression is a soft, powdery, and slightly edible scent that appeals to those seeking a gentle and soothing bath experience.

Fragrance Profile:

The overall aroma is one of warmth, gentle sweetness, and cleanliness, designed to evoke a feeling of natural, creamy goodness and tranquility. In a shower gel or shampoo, the scent provides a pleasant sensory experience that is rich in the bottle but mild and non-cloying on the skin and hair after rinsing.

Top Notes	Sweet, Dairy, and Nutty Opening,Fresh Creamy Milk, Sweetened Honey Drizzle, Light Almond or Marzipan Accents.
Middle Notes	Warm, Cereal Heart,True Notes of Toasted Rolled Oats, Warm Vanilla Bean, Subtle White Florals (like Heliotrope) providing a powdery softness.
Base Notes	Rich, Lasting Comfort,Brown Sugar, Creamy Musk, Tonka Bean, Warm Amber, and a whisper of Sandalwood.

Recommended Usage	0.25% to 2% of total formula by weight
IFRA Compliance	Adheres to IFRA standards
pH Stability	Stable across pH range of 5.5 to 7.0
Solubility	Soluble in surfactant-based systems

Applications:

The Oatmeal & Goat Milk fragrance oil is a widely applicable scent, particularly valued in the cosmetic and body care industry for its association with comfort, gentleness, and natural ingredients. Its creamy and sweet profile makes it suitable

for both wash-off and leave-on products.

This fragrance is perfectly suited for use in products where the scent provides a pleasant experience during use and leaves a subtle, clean aroma behind.

Primary Application: Wash-Off Products	
Shower Gels & Body Washes	The scent holds well in surfactant-based products, enhancing the luxurious feel of the lather. (Typical usage: 1.0% - 3.0%)
Shampoos & Conditioners	It imparts a fresh, non-cloying scent to the hair during washing, appealing to consumers looking for a "clean" or "natural" feel.
Melt & Pour or Cold Process Soap	It is highly popular in handmade soaps, especially those utilizing actual oatmeal or goat milk, as it reinforces the natural theme.

Its soothing profile is ideal for products intended for sensitive skin or nightly routines.

Secondary Application: Leave-On Products	
Body Lotions & Creams	The comforting, milky notes blend beautifully with moisturizing bases, offering a subtle, lasting aroma.
Solid Balms & Butters	Excellent for heavy moisturizers where a comforting scent is desired.
Room & Linen Spray	The soft, powdery nature of the fragrance makes it suitable for relaxing room or linen sprays.
