Product Description

Scandal For Lady (Gaultier) Fragrance Perfume Oil With Free Sample For Luxurious Fragrance

LDZ-PL11578

It is a bold and modern Chypre Floral scent often categorized as a Honey Gourmand. The original Eau de Parfum (EDP) is designed to be powerful, elegant, and unapologetically sensual, reflecting a blend of chic sophistication and Parisian nightlife's wild spirit.

The scent opens with a bright and zesty burst of citrus from Blood Orange and Mandarin Orange. This freshness quickly gives way to the addictive and enveloping heart, which is dominated by a luscious, sweet Honey note. Supporting this gourmand sweetness are rich white florals like Gardenia, Orange Blossom, and Jasmine, with a soft touch of Peach.

The concentrated perfume oil version maintains this decadent character, offering enhanced longevity and sillage. The deep, warm base anchors the composition with earthy Patchouli, creamy Caramel, and an almost animalic warmth from Beeswax and a hint of Licorice. The result is a memorable, opulent, and slightly provocative fragrance that is ideal for evening wear or cooler weather.

Fragrance Profile:

The overall profile is designed to be powerful, sophisticated, and overtly sweet, perfect for luxurious and long-lasting fragrance creations.

The concentrated perfume oil of J Scandal captures the essence of a modern Chypre Floral Gourmand. Its profile is characterized by a central, intoxicating sweetness combined with bright florals and a deep, earthy foundation.

Top Notes (Initial Spark)	The opening is immediately vibrant and juicy with a powerful blend of Blood Orange and Mandarin Orange. This bright citrus accord cuts through the richness, setting a lively and attention-grabbing tone.
Heart Notes (The Decadence)	The core of the fragrance is a voluminous, sweet bouquet. The most dominant note is a heavy, golden Honey, which provides a sticky, opulent gourmand quality. This is layered with rich white florals: creamy Gardenia, lush Jasmine, and sweet Orange Blossom, with a subtle touch of Peach adding extra fruitiness.
Base Notes (Sensual Depth)	The dry-down is warm, balsamic, and long-lasting. Earthy Patchouli provides the classic chypre structure, contrasting the sweetness. It is softened by luxurious, waxy Beeswax, a hint of dark Licorice, and smooth, edible Caramel, creating a creamy, seductive trail.

Technical Specifications

Product Name	Scandal For Lady (Gaultier) Fragrance
Fragrance Profile	Floral-woody Aromatic
Flash Point	>93°C (>199°F)
Specific Gravity	0.985 to 1.000
Refractive Index	1.470 to 1.500
Appearance	Clear to slightly amber liquid
Middle Note Duration	2-4 hours
Base Note Longevity	6-8 hours or longer
Recommended Usage	Fine Fragrance Max Usage: ≈5.7% to 15% Soap Max Usage: ≈3.74% to 5.10%
Solubility	This concentrated oil is designed to disperse fully in oil-based carriers (like fixed oils or ethanol for perfume) and is not water-soluble.
Shelf Life	12-24 months when stored properly
IFRA Compliance	Conforms to international safety standards

Applications:

The concentrated Scandal perfume oil, with its bold, sweet, and sensual Chypre Gourmand profile, is highly valued for creating luxurious products where a powerful, long-lasting scent is desired.

Fine Perfumery	The primary application is crafting Eau de Parfum (EDP) or Perfume Oils. Due to its concentration, it provides excellent longevity and sillage, typically diluted in a carrier oil (like Fractionated Coconut Oil) or perfumer's alcohol at concentrations between 10% and 30%.
Home Fragrance	Its robust scent profile is perfect for elevating ambient products: Candles & Wax Melts: The oil performs well in various waxes, offering a strong hot and cold scent throw, creating a luxurious, inviting atmosphere. Recommended usage is typically 6-10% of the wax weight. Reed Diffusers & Room Sprays: It is effective in a diffusing base to fill large spaces with its characteristic honey and white floral aroma.
Body & Bath Products	Its warm, feminine notes translate beautifully into personal care items:
	Soaps & Shower Gels (Rinse-off): It retains its character well in wash-off products.
	Body Butters & Lotions (Leave-on): When diluted properly (often 0.25% - 2%), it leaves a beautiful, lingering scent on the skin, enhancing the overall luxury experience.

Our Advantages

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA, MSDS, SGS, ISO9001, HACCP, IFRA, SPEC

Support & Services

- Product usage instructions and guidance
- Expert advice on fragrance selection
