## Product Description

### Concentrated Aqua Kiss Fragrance Perfume Oil

Product Code: LDZ-PL11601

This concentrated Aqua Kiss fragrance oil captures the exhilarating freshness of cool, clear waters and a light, dewy floral breeze, making it an ideal core for luxurious fragrance creation. It belongs to the Fresh, Aquatic Floral fragrance family, perfectly balancing crisp clean notes with a soft, natural sweetness.

**Fragrance Profile**

This concentrated Aqua Kiss oil delivers an intensely fresh and aquatic floral experience, perfect for luxurious fragrance items.

Top Notes	The scent bursts with an instantly refreshing Aquatic Accord, combining the crispness of Sea Spray and the bright zest of Pink Grapefruit. This clean opening provides an exhilarating, dewy sensation.
-----------	---

Middle Notes	The heart is a delicate, soothing floral blend. Key middle notes include fresh, airy Freesia, soft Daisy, and sometimes the calming touch of Chamomile. These elements introduce a feminine, soft clarity that defines the core of the scent.
Base Notes	The fragrance settles into a clean, smooth, and lasting foundation. The base features warm, subtle notes of Mineral Musk and light White Amber, ensuring excellent longevity and leaving a sophisticated, freshly washed finish.

### Applications

The concentrated Aqua Kiss fragrance oil is highly versatile, bringing its signature clean, aquatic-floral aroma to a wide spectrum of luxurious handmade goods. Its refreshing and universally appealing profile ensures excellent marketability.

<b>Bath &amp; Body Products</b>	This oil excels in all skin-contact applications. It is ideal for crafting premium Cold Process and Melt & Pour Soaps, Body Washes, Lotions, and Body Sprays. The fresh, dewy scent is particularly popular in products intended for daily use, providing a clean, rejuvenating experience reminiscent of a spa.
<b>Home Fragrance</b>	With a high flash point, this oil is well-suited for heat-dependent products such as luxurious Candles and Wax Melts, delivering a strong, refreshing throw (scent diffusion). It is also effective in Reed Diffusers and Room Fresheners, offering a continuous, airy, and clean scent throughout the home environment.
<b>Fine Fragrance</b>	The concentrated nature makes it perfect for Perfumery. It can be diluted with perfumer's alcohol or a carrier oil to create custom Eau de Toilette, Eau de Cologne, or Perfume Oils, where its complex aquatic and soft floral notes contribute to a sophisticated, everyday wearable scent.
