Product Description

Concentrated Spotlight Fragrance Essence Oil

Product Code: LDZ-PL11616

Premium perfume oil for fragrance making with free sample. This meticulously engineered compound is designed for high impact, brilliance, and immediate memorability, intended to evoke the sensation of intense, luminous radiance.

Product Overview

"Spotlight" essence features a bright, clean, and modern structure that cuts through typical compositions. Centered around sparkling aldehydes, high-impact white florals, and clean, musky woods, it creates an aura of sleek sophistication and polished projection.

Fragrance Profile

Top (The Flash)	An immediate, dazzling lift achieved through ultra-clean aldehydes and bright, dry citrus (crisp bergamot or sparkling pink pepper), creating the initial "pop" and energy.
Heart (The Radiance)	Core built around powerful, elegant white florals featuring reconstructed Jasmine and crystalline Muguet molecules, balanced by sheer, modern iris or cyclamen for structure.
Base (The Fixation)	Long-lasting dry-down anchored by sophisticated, transparent materials including Cashmeran, ambrette musk, and clean, dry cedarwood, ensuring powerful sillage without heaviness.
