Product Description

Free Sample High Concentrated Fragrance Perfume Oil - Tobacco and Rose

Product Code: LDZ-PL11610

Product Description

This professional-grade Concentrated Fragrance Perfume Oil features a sophisticated fusion of "Tobacco & Rose," engineered specifically for high-end body perfume production. This essence oil masterfully balances the rugged, earthy depths of cured tobacco with the ethereal elegance of Turkish rose, creating a signature scent profile that bridges traditional masculine strength with modern feminine fluidity.

The fragrance opens with a subtle floral peak, where Rose Essence provides a dew-kissed, voluminous heart. This brightness is anchored by Tobacco Absolute, which introduces nuances of smoked wood, dried hay, and leathery sweetness. As a concentrated essence, it possesses an exceptional refractive index, ensuring multidimensional sillage that evolves beautifully on the skin.

Fragrance Profile

Top Notes

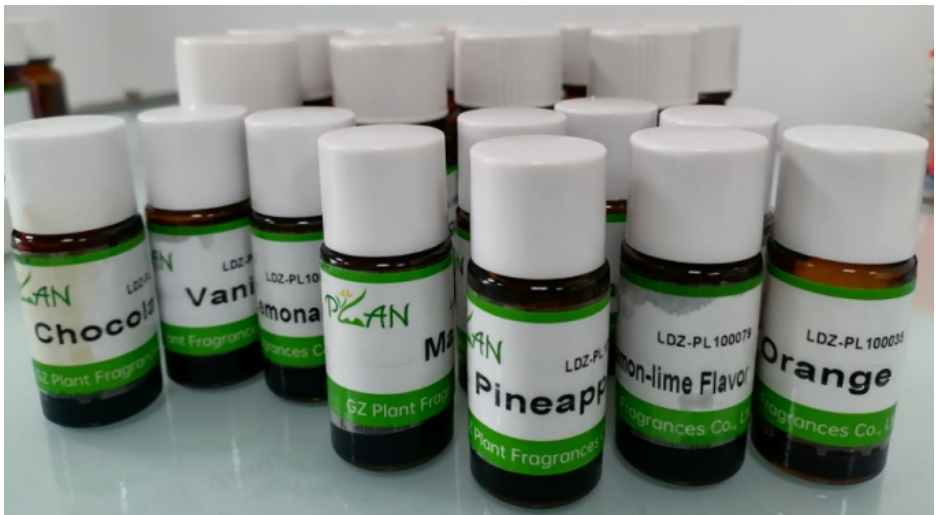

Crisp green leaves and subtle pink pepper provide a fresh, dew-kissed opening

Middle Notes

Voluminous Turkish rose enriched by violet and jasmine, creating a velvet-like floral core

Base Notes

Cured tobacco absolute, sandalwood, and dark tonka bean provide a smoky, leathery dry-down with hints of vanilla and musk

Technical Specifications

Parameter	Specification
Fragrance Notes	Concentrated Tobacco and Rose Fragrance Oil
Appearance	Transparent to amber liquid
Relative Density	0.997–1.007 g/cm³ @ 25°C
Refractive Index	1.477–1.487
Flash Point	≥93°C (≥200°F)
Dosage	Daily chemical products: 0.3%–2% Specific fragrance products: 8%–25%
Diffusion Ability	Excellent aroma
Long-lasting Fragrance	≥72 hours (paper strip test)
Solubility	Soluble in ethanol and oils; insoluble in water
IFRA Compliance	Conforms to International Fragrance Association safety standards
Heat Resistance	Stable at 100°C with no noticeable discoloration or odor change
Lightfastness	Good (avoid long-term direct sunlight)
Evaporation Rate	Slow evaporation rate ensures smoother fragrance evolution with richer layers

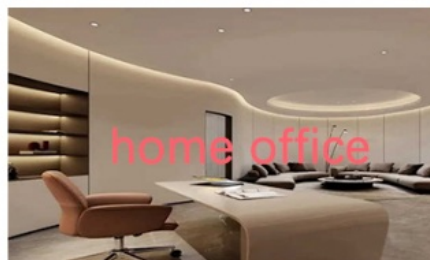

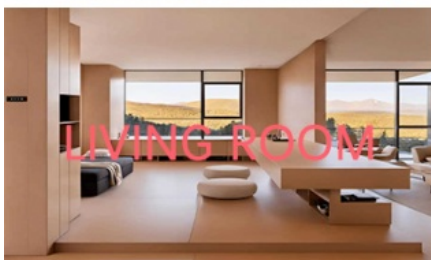

Applications & Functions

This Tobacco & Rose Fragrance Essence Oil is a versatile, high-performance concentrate engineered for luxury body and home fragrance applications. Its unique chemical stability and high refractive index make it ideal for creating sophisticated, unisex scent profiles.

Application	Description
Fine Fragrance Production	Ideal for Eau de Parfum (EDP) and Extrait de Parfum formulations
Cosmetic & Body Care	Skin-safe for body oils, luxury lotions, creams, beard oils, and aftershaves
Aqueous & Alcohol-Based Mists	Excellent solubility for body mists and hair perfumes without clouding
Artisanal Toiletries	Highly stable in cold-process and melt-and-pour soaps

applications

Our Advantages

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA, MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

Support & Services

Our R&D team, consisting of PhDs and senior engineers, collaborates with universities to maintain product innovation and quality. We assist customers in improving product aroma, quality structure, and reducing production costs.

Fragrance Oil for Perfume Making

We Support OEM for Your Own Scent or Other Classical Flavors

We offer comprehensive technical support and services including:

- Product usage instructions and guidance
