- Grade: ISO Grade
- Occasion: Evening, Formal
- Service: OEM ODM Accept
- Target Gender: Unisex
- Delivery: Within 5 Days

Product Description

Pure Awaken Fragrance Oil for Daily Perfume Making

Product Code: LDZ-PL11647

Pure Awaken is a premium fragrance oil meticulously crafted for the artisan perfumer, offering an invigorating olfactory journey designed to stimulate the senses and provide a revitalizing start to the day. This professional-grade concentrate is celebrated for its high-clarity profile and exceptional versatility, making it a cornerstone for daily-wear perfume collections that prioritize freshness, energy, and modern sophistication.

Engineered for stability, Pure Awaken offers excellent solubility in hydro-alcoholic bases, ensuring a clear, non-cloudy appearance in finished fine fragrances. It is an ideal choice for minimalist "clean" scent profiles or as a bright, uplifting component in more complex layering projects.

Fragrance Profile

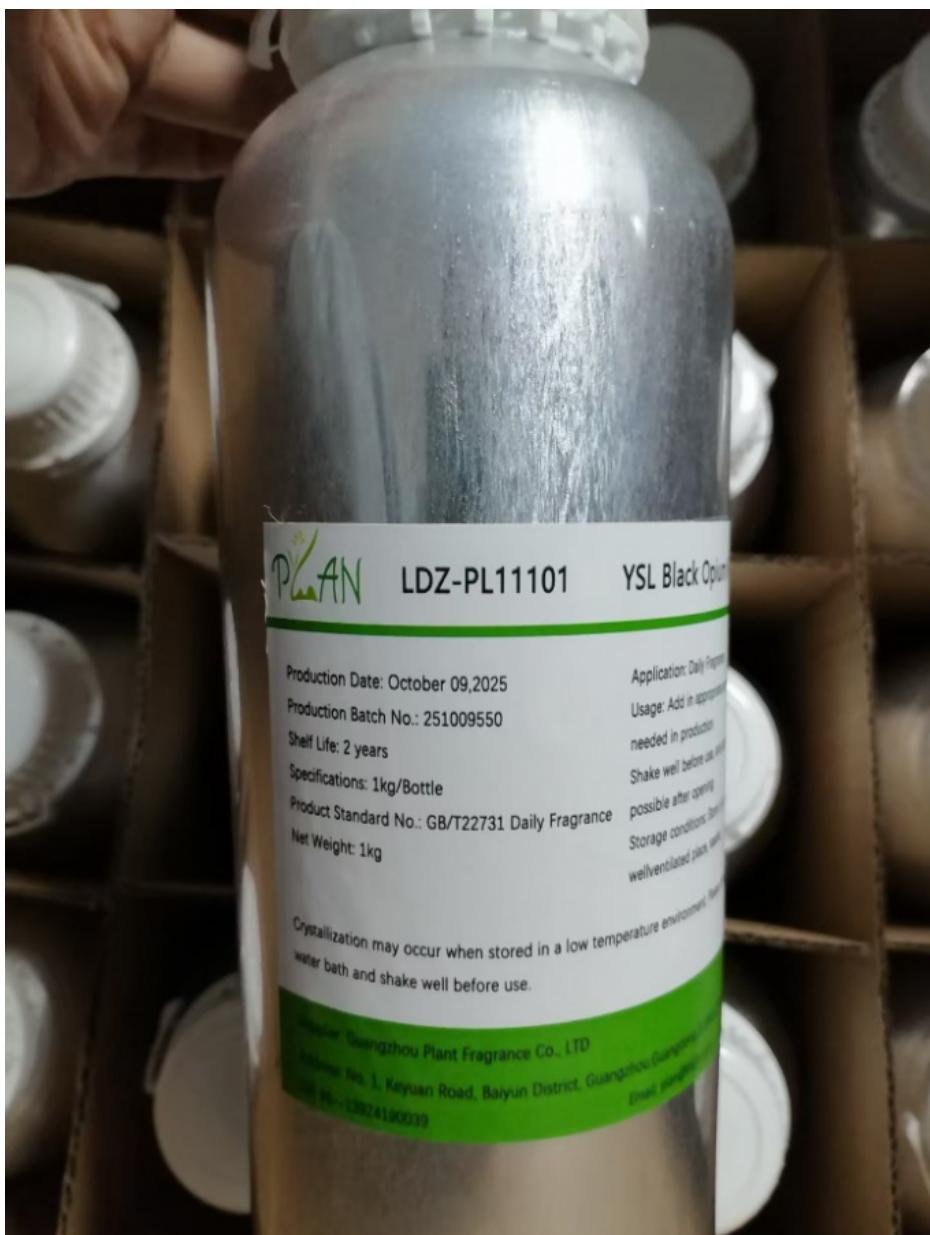

The fragrance opens with a vibrant, luminous burst of citrus accords and crisp Red Apple, providing an immediate sense of clarity and revitalization. This energetic introduction seamlessly transitions into a sophisticated heart where dewy Wild Bluebell and Lily of the Valley intertwine, adding a layer of botanical elegance and soft, green sweetness. The composition is expertly grounded by a base of White Musk and refined Amberwood, which ensures a smooth, enduring dry-down.

Top Notes	The experience begins with a vibrant, luminous surge of Zesty Citrus and Red Apple. This opening provides an immediate "awakening" effect, delivering a sharp, airy freshness that stimulates the senses and clears the mind.
Middle Notes	As the initial brightness settles, the heart reveals a dewy, botanical core of Wild Bluebell and Lily of the Valley. These floral accords introduce a soft, green sweetness that tempers the citrus, evoking a sense of calm, natural elegance.
Base Notes	The fragrance is anchored by a refined foundation of White Musk and Amberwood. These fixatives provide necessary depth and longevity, ensuring the scent adheres gracefully to the skin with a smooth, velvety finish that persists throughout the day.

Technical Specifications

Fragrance Notes	Pure Awaken Fragrance Oil
Appearance	Transparent to amber liquid
Relative Density	1.021–1.051 g/cm³ @ 25°C
Refractive Index	1.527–1.532
Flash Point	79°C-100°C (174°F-212°F)
Dosage	Eau de Parfum (EDP): 15% - 20% Eau de Toilette (EDT): 5% - 12% Body Oil: 2% - 10%
Diffusion Ability	Excellent aroma
Long-lasting Fragrance	≥24 hours (paper strip test)
Solubility	Soluble in ethanol and oils; insoluble in water
IFRA Compliance	Conforms to International Fragrance Association safety standards
Heat Resistance	Stable at 100°C with no noticeable discoloration or odor change
Lightfastness	Good (avoid long-term direct sunlight)
Evaporation Rate	Slow evaporation rate ensures smoother fragrance evolution with richer layers

Applications & Functions

Awaken Fragrance Oil is a premium, professional-grade concentrate meticulously engineered for the discerning perfumer. Characterized by its vibrant, high-tenacity aromatic profile, this oil serves as a transformative foundation for daily fragrance creation, blending sophisticated top notes with a resonant, lasting base.

Functions

The primary function lies in its exceptional scent retention and diffusive power, maintaining structural integrity throughout the evaporation cycle

Acts as a mood-enhancing agent with chemical composition curated to trigger olfactory receptors associated with alertness and refreshment

Serves as a bridge between volatile citrus notes and heavier fixatives, smoothing out transitions and adding lift to denser compositions

Applications

Ideal for Eaux de Toilette and Eaux de Parfum with excellent solubility in perfumer's alcohol

Integrates seamlessly into carrier oils for luxury roll-ons and solid perfumes

Suitable for high-end body mists, aftershaves, and nourishing hair oils

Professional-grade potency for precise dosing and controlled scent intensity

applications

BEDROOM

Coffee House

library/study

BATHROOM

LIVING ROOM

home office

Our Advantages

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA
MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

Support & Services

Our R&D team, consisting of PhDs and senior engineers, collaborates with universities to maintain product innovation and quality. We assist customers in improving product aroma, quality structure, and reducing production costs.

Fragrance Oil for Perfume Making

We Support OEM for Your Own Scent or Other Classical Flavors

We offer comprehensive technical support and services including:

- Product usage instructions and guidance
