Product Specification

- Packing: Iron Or Plastic
- Country Of Origin: United States
- Advantage: 20 Years Manufacturing Experience
- Viscosity: Low Viscosity Liquid
- Concentration: Typically 1-5% In Shampoo
- Shelf Life: 12-24 Months
- Purity: 100% Pure
- Formula: Liquid
- Certifications: Cruelty-free, Paraben-free
- Safety: Follow IFRA Guidelines For Safe Usage Levels
- Usage: Added To Shampoo Formulations
- Customized Service: Welcome
- Appearance: Liquid Fragrance Oil
- Benefits: Moisturizing, Nourishing, Strengthening

Product Description

Ginger Flower Fragrance Essence Oil

Premium industrial-grade aromatic compound for scented soap, shampoo, and shower gel production

Product Code: LDZ-PL21021

Product Overview

Ginger Flower Fragrance Essence Oil is a sophisticated, multi-dimensional aromatic that captures the ethereal beauty of tropical Alpinia or Hedychium species. Unlike the sharp, earthy pungency of ginger root, this essence is defined by a creamy, white-floral elegance accented by subtle, spicy warmth.

The fragrance opens with luminous, airy freshness reminiscent of morning dew on green stalks, transitioning into a heart of velvety petals that combines soft exoticism with refined, peppery undertones. The clean, botanical finish offers high-end, spa-like purity.

Fragrance Profile

This sophisticated spicy-floral essence balances botanical freshness with exotic warmth, creating a spa-like atmosphere in bath and body products.

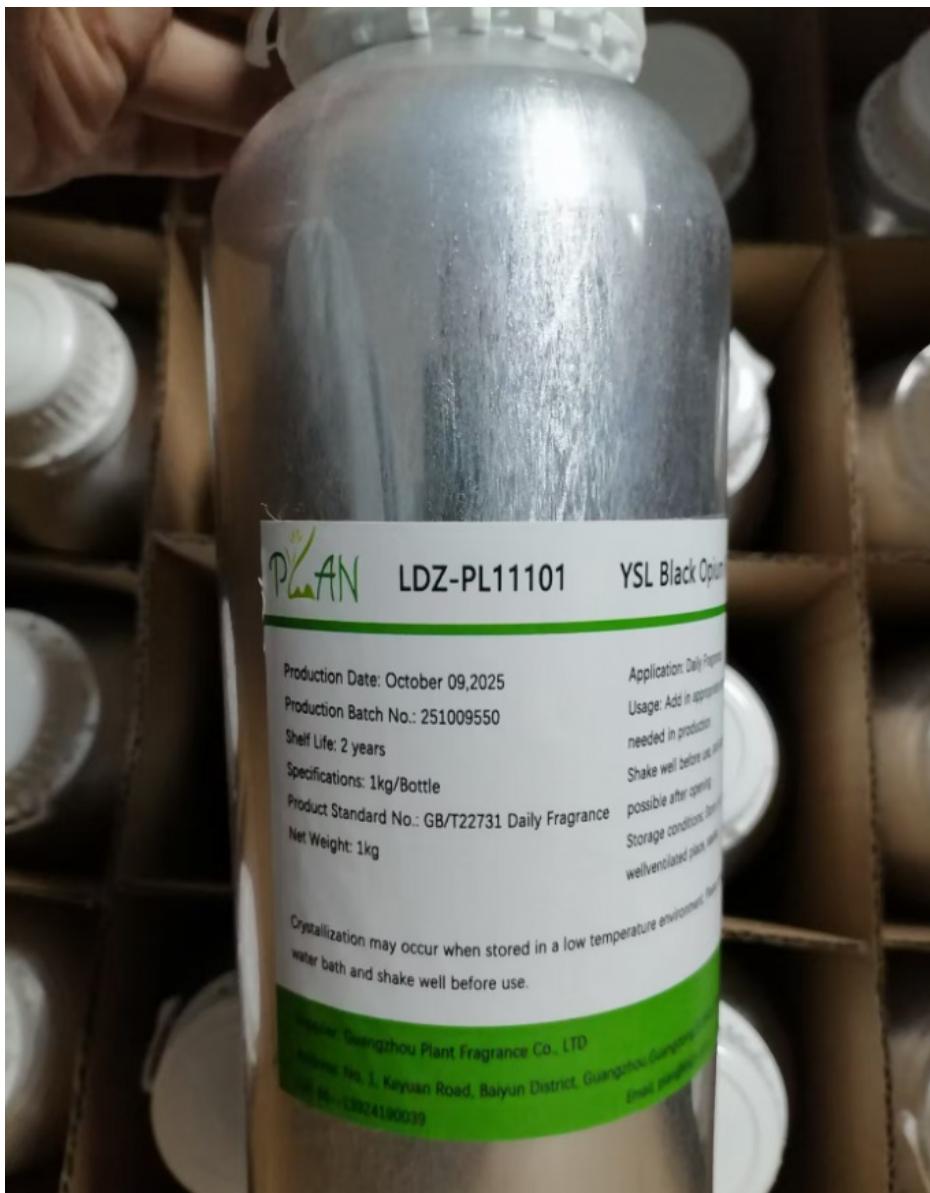

Top Notes	Brilliant, luminous burst of white ginger petals, iced lemon, and green tea leaves. Airy and ozonic for immediate cleanliness and lift when products contact water.
Middle Notes	Creamy ginger lily, exotic orchid, and crushed cardamom. Adds velvety, spicy-sweet texture defining the sophisticated tropical identity.
Base Notes	Sheer musk, soft driftwood, and warm amber. Provides grounding "skin-scent" that lingers after rinsing for subtle, elegant trail throughout the day.

Technical Specifications

Product Name	Ginger Flower Fragrance Essence Oil
Fragrance Profile	Floral-Fruity-Woody aroma
Appearance	Clear, colorless to pale yellow liquid
Relative Density	0.870 to 0.910 g/cm ³ @ 25°C
Flash Point	93°C (200°F)
Refractive Index (RI)	1.470 to 1.515 (at 20°C)
Phthalate-Free	Yes
Shelf Life	36 Months (Store away from light)
IFRA Compliance	Adheres to IFRA standards
Solubility	Soluble in surfactant-based systems
Recommended Usage	Shampoo/Shower Gel: 0.5% - 1.5% Soap Making: 3% - 5% Liquid Hand Washes: 0.3% - 1% Hair Conditioners: 0.2% - 0.8%

Functions and Applications

Professional Functions

In cosmetic chemistry, Ginger Flower essence functions as a rejuvenating aromatic agent and olfactory corrector. It contains high concentrations of linalool and geraniol for a sheer fragrance profile that doesn't overwhelm users. The oil provides exceptional "aromatic bloom" - expanding rapidly with warm water and steam to create immersive spa experiences. Formulated to be non-discoloring, it prevents browning in white soap bases and serves as a mood-modulator with bright, peppery-floral notes that reduce fatigue perception.

Applications

This versatile essence spans liquid and solid surfactant systems. Ideal for clarifying shampoo formulas, exotic botanical shower gels, and both Cold Process and Melt & Pour soap making. Also suitable for luxury liquid hand soaps, bath salts, and leave-in hair mists, appealing to high-end hospitality markets with its sophisticated unisex profile.

Our Advantages

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA
MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

applications

BEDROOM

Coffee House

library/study
