#### Product Overview

This Lime Fragrance Essence Oil captures the pure, zesty essence of freshly sliced Key Lime, offering a profile that is significantly "greener," more tart, and more complex than sweeter citrus scents. The fragrance opens with an explosive sparkle of cold-pressed lime peel, delivering an immediate, mouth-watering tangy hit.

## Fragrance Profile

<b>Top Notes</b>	Aggressive, effervescent burst of Cold-Pressed Lime Peel and Sparkling Aldehydes. Rich in natural terpenes like Limonene and Citral, delivering tart, acidic, and slightly bitter notes.
<b>Middle Notes</b>	Tenacious citral-rich notes like Litsea Cubeba and Lemon Verbena with subtle accents of Herbal Basil or Fresh Thyme for sophistication.
<b>Base Notes</b>	Sheer and clean foundation with White Musk and dry Blonde Woods as fixatives, softened by a faint whisper of Cane Sugar.
