

Perfume Fragrance Wholesale Sorrel & Lemon Thyme Fragrance Essence For Daily Using Perfume Making

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Plant
- Certification: COA,MSDS,IFRA,CE,ISO
- Model Number: LDZ-PL11236
- Minimum Order Quantity: 1KGS/To Be Negotiated
- Price: 1-49 Kilograms \$20.00, To Be Negotiated
- Packaging Details: Carton Drum Packing :5kgs/drum,4 Drum/carton,20kgs/carton(41*28*33.5cm);Iron Drum Packing: 25 Kg/drum (D: 30cm, H: 45cm)(0.032cbm)
- Delivery Time: 3-5 Working Days For Trial Order; 5-10 Working Days For OEM Order
- Payment Terms: L/C,T/T,Western Union,MoneyGram
- Supply Ability: 2000 Kilogram/Kilograms Per Day

Product Specification

- Grade: ISO Grade
- Used For: Daily Floral Flavors For Perfume Making
- Package: Plastic Or Iron Barrel
- Service: OEM ODM Accept
- Occasion: Everyday
- Color: Red,blue,Purple,clear,green;
- Sillage: Moderate
- Middle Notes: Jasmine, Rose, Lily Of The Valley
- Target Age: Adult
- Oem Service: Welcome
- Application: Perfume Making
- Highlight: Sorrel Lemon Thyme fragrance essence, wholesale perfume making supplies, daily use fragrance oils

Product Description

Perfume Fragrance Wholesale Sorrel & Lemon Thyme Fragrance Essence For Daily Using Perfume Making

Product Code:LDZ-PL11236

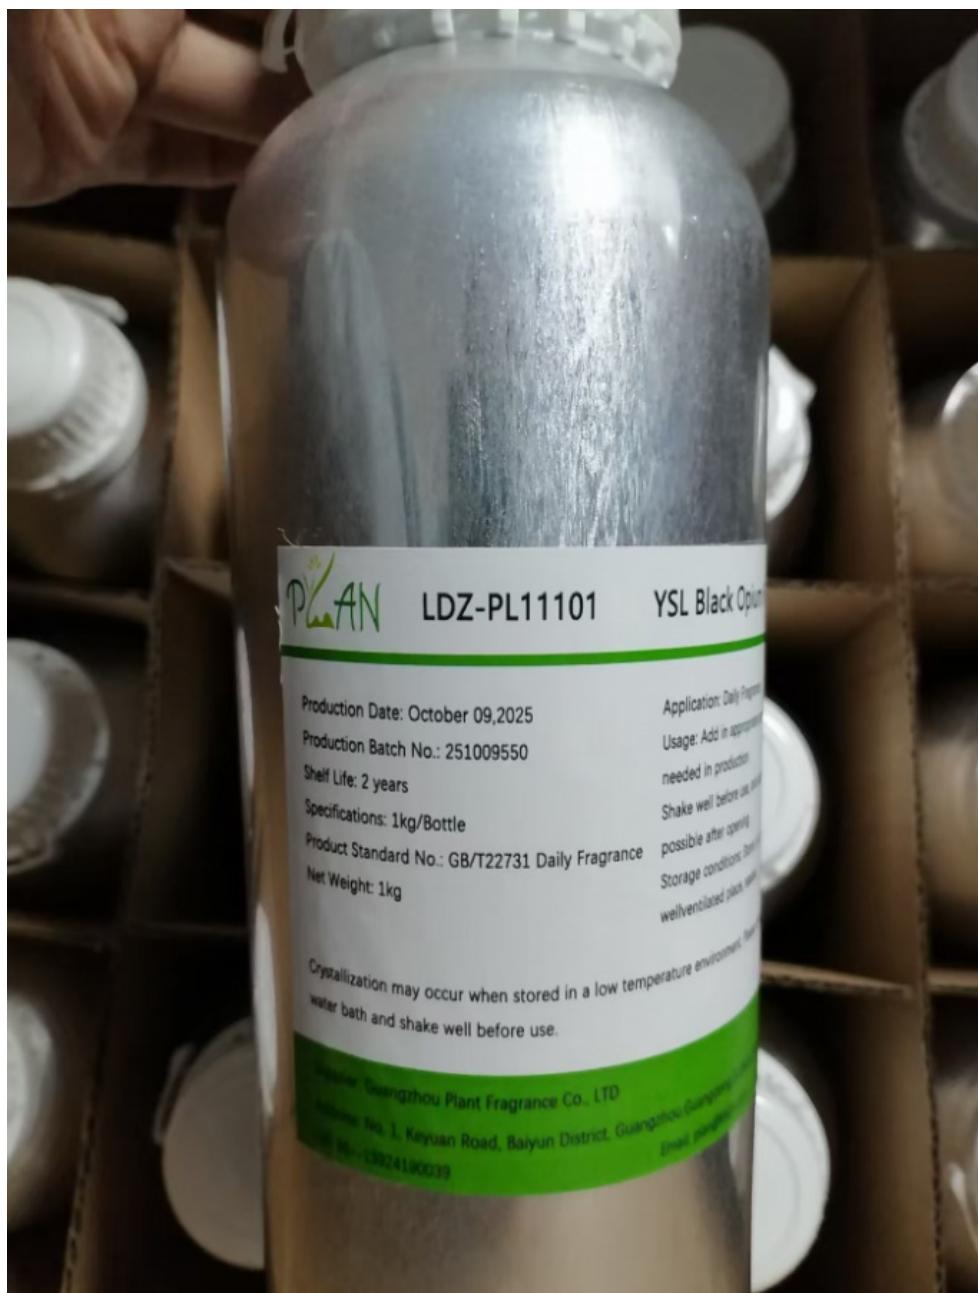

The Purity Sorrel & Lemon Thyme Fragrance Essence is a masterfully composed citrus-herbaceous blend designed for high-end perfumery and daily wear. It captures the verdant, electric energy of an apothecary garden, emphasizing botanical authenticity over synthetic sweetness. This essence is engineered for those who seek a "second-skin" scent that is both invigorating and intellectually sophisticated.

This essence is characterized by its crisp, translucent, and restorative nature. In daily perfume applications, it functions as a "cologne-style" fragrance with modern longevity. It is the ideal choice for "Green/Botanic" collections, offering a gender-neutral appeal that radiates a sense of natural luxury and revitalizing clarity.

Fragrance Profile

Top Notes	The opening is defined by a zesty, high-tenacity Lemon Thyme and Bigarade (Bitter Orange). This provides an immediate "spark" of citrus that is more herbal and textured than traditional lemon, offering a sophisticated, sharp freshness.
Middle Notes	The core features the eponymous Sorrel, which introduces a unique, slightly tart, and "leafy-green" dimension. This is supported by notes of crushed rosemary and wild sage, creating a complex, aromatic heart that feels organic and grounding.
Base Notes	The dry-down is anchored by a discreet foundation of mossy accords and white musk. These notes provide a "clean-linen" finish, ensuring the vibrant greens of the top and heart remain elevated without becoming heavy or muddy.

Technical Specifications:

In the field of fine fragrance formulation, the Purity Sorrel & Lemon Thyme Fragrance Essence is categorized as a high-clarity, cosmetic-grade aromatic compound. It is specifically refined for hydro-alcoholic solubility, ensuring a transparent, sediment-free finish in premium perfume solvents.

Parameter	Specification
Fragrance Name	Sorrel & Lemon Thyme Fragrance Essence Oil
Fragrance Notes	Aquatic, Fresh Citrus, Clean Musk
Appearance	Transparent to amber liquid
Relative Density	0.895–0.930 g/cm ³ @ 25°C
Refractive Index	1.465–1.490
Flash Point	>93°C (200°F)
Dosage	Extrait de Parfum 15% – 20% Eau de Parfum (EDP) 8% – 12% Eau de Toilette (EDT) 10% – 15% Body Mist / Splash 3% – 5% Soaps / Lotions 1% – 3%
Diffusion Ability	Excellent aroma
Long-lasting Fragrance	8-12 hours (paper strip test)
Solubility	Soluble in ethanol and oils; insoluble in water
IFRA Compliance	Conforms to International Fragrance Association safety standards
Heat Resistance	Stable at 100°C with no noticeable discoloration or odor change
Lightfastness	Good (avoid long-term direct sunlight)
Evaporation Rate	Slow evaporation ensures smoother fragrance evolution with richer layers

Blending Recommendations

With Florals	Pairs beautifully with jasmine or hibiscus for tropical garden effect
With Citrus	Enhances grapefruit or lime for energizing morning mist
With Base Notes	Settles into creamy, sensual finish when anchored by vanilla, white musk, or sandalwood

Technical Functions:

The Purity Sorrel & Lemon Thyme Fragrance Essence functions as a primary olfactory stimulant designed for superior epidermal compatibility and high-clarity dilution. Its chemical architecture is engineered for hydro-alcoholic stability, ensuring that when integrated with perfumer's alcohol, the essence remains a homogenous, transparent solution without precipitation. A key functional attribute is its volatility mapping; the essence utilizes high-tenacity citrus isolates that extend the life of the "top-note spark," which traditionally evaporates quickly. It acts as a botanical modifier, using the tartness of sorrel to balance the herbal pungency of thyme, creating a smooth sensory transition. Furthermore, it contains antioxidant-stable esters that resist degradation when exposed to oxygen during daily application. This ensures the "green" olfactory profile remains crisp and true-to-form, providing a consistent linear evolution from the initial spray to the final dry-down on the skin.

Industry Applications:

While primarily formulated for fine fragrance and perfume making, this essence is exceptionally versatile within the luxury personal care sector. In niche perfumery, it serves as a "hero" scent for Eau de Cologne and Eau de Toilette lines targeting the "Green" and "Aromatic" categories. Its refreshing, gender-neutral profile makes it an ideal candidate for daily-wear body mists and functional fragrances designed to enhance mental clarity and focus. Beyond alcohol-based sprays, its stability allows for seamless integration into high-end grooming products, such as revitalizing shower gels, beard oils, and botanical hair mists, where a sophisticated, non-synthetic aroma is paramount. Additionally, it is frequently utilized in prestige hospitality amenities, such as refreshing facial towels and luxury hand sanitizers, to provide a modern, hygienic, and uplifting sensory touchpoint. For the artisanal perfumer, it functions as a vibrant accents accord, perfect for brightening heavier woody or floral compositions.

applications

Quality Assurance

Our R&D team, consisting of PhDs and senior engineers, collaborates with universities to maintain product innovation and quality. We assist customers in improving product aroma, quality structure, and reducing production costs.

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA
MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

Technical Support & Services

We support OEM for your own scent or other classical flavors with comprehensive technical assistance.

- Product usage instructions and guidance
- Expert advice on fragrance selection
- Technical support for any issues or concerns
- Product customization services
