Product Description

YSL M7 Fragrance Essence Oil

Product Code: LDZ-PL11264

M7 is a masterclass in the Amber Woody category, defined by its bold, medicinal, and sophisticated character. Known for exceptional longevity and substantial sillage, this concentrated oil delivers powerful performance with minimal application.

Fragrance Profile

The YSL M7 essence oil features a sophisticated three-tier architecture of warmth and mystery, pioneering the use of Oud in modern perfumery.

| | |
|---------------------|---|
| Top Notes | Begins with sharp clarity featuring Mandarin Orange and Bergamot, providing citrusy brightness quickly grounded by the herbal, aromatic touch of Rosewood. |
| Middle Notes | The heart features rich, earthy Patchouli blended with Oud (Agarwood), creating a woody, slightly smoky, and intensely masculine core. |
| Base Notes | The foundation is warm, resinous, and long-lasting with Amber, Musk, and Myrrh, leaving a creamy, balsamic trail that feels like "molten gold" on the skin. |

Evaporation Rate

Slow evaporation rate ensures smoother fragrance evolution with richer layers

Applications & Functions

The YSL M7 essence oil serves as a versatile powerhouse in perfumery, providing a deep, fixative base that extends wear-time by slowing evaporation of lighter notes.

Versatile Applications

| Application Type | Description |
|-------------------------|---|
| Fine Fragrance Creation | Ideal for crafting Eau de Parfums as a sophisticated signature scent for daily use, transitioning seamlessly from professional to evening settings. |
| Layering Base | Excellent as a primer when applied to pulse points before spraying lighter citrus or floral perfumes, adding dark, woody complexity. |
| Personal Care Products | Suitable for premium beard oils, solid perfumes, and luxury body lotions due to high flash point and stability during emulsification. |
