

## Essential Oil Fragrances Pomegranate-Grapefruit Fragrance Oil For Reed Sticks & Scented Candles & Diffusers Home Spay Making

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Plant
- Certification: COA,MSDS,IFRA,CE,ISO
- Model Number: LDZ-PL30306
- Minimum Order Quantity: 1KGS/To Be Negotiated
- Price: 1-49 Kilograms \$20.00, To Be Negotiated
- Packaging Details: Carton Drum Packing :5kgs/drum,4 Drum/carton,20kgs/carton(41\*28\*33.5cm);Iron Drum Packing: 25 Kg/drum (D: 30cm, H: 45cm)(0.032cbm)
- Delivery Time: 3-5 Working Days For Trial Order; 5-10 Working Days For OEM Order
- Payment Terms: L/C,T/T,Western Union,MoneyGram
- Supply Ability: 2000 Kilogram/Kilograms Per Day

#### Product Specification

- Type: Air Fresheners,home Decoration,rattan Reed Diffuser Sticks Rattan / Reed Diffuser
- Shape: Liquid,Solid,Straight,stick
- Feature: Eco-Friendly,Stocked,eco Friendly,Safety,reed Diffuser
- Air Freshener Use: Home,perfect For Living Room,office,Car,study
- Material: Glass,reed Diffuser Set,ceramic,Ceramic Cap/High Quality Crystal Glass Bottle,Glass Bottle+diffuser Oil+rattan Sticks And Dried Flower
- Usage: Birthday,decoration,air Freshener,Wedding,party
- Function: Keeping Air Fresh,Home Decoration,it Can Last 30-45days For 100ml; 60-80days For 200ml,Smell Remover,Diffuse The Fragrance To The Air
- Fragrance: Jasmine,Lavender,more Than 2000 Kinds Can Be Customized French Vanilla

## Product Description

### Essential Oil Fragrances Pomegranate-Grapefruit Fragrance Oil For Reed Sticks & Scented Candles & Diffusers Home Spay Making

**Product Code:**LDZ-PL30306

#### Product Overview:

PLANT Pomegranate-Grapefruit Fragrance Oil is a vibrant, sophisticated aromatic blend designed to energize and uplift contemporary living spaces. This fusion marries the tart, sparkling zest of pink grapefruit with the deep, succulent sweetness of sun-ripened pomegranate. The result is a high-performance fragrance that balances sharp acidity with a lush, velvety fruitiness, making it a premier choice for high-end home fragrance collections.

PLANT

#### Fragrance Profile & Characteristics:

The PLANT Pomegranate-Grapefruit Fragrance Oil offers a sophisticated olfactory journey that transitions from high-energy citrus to a deep, velvety fruit finish. This multi-layered profile is engineered to provide an immediate "refresh" while maintaining a complex presence throughout the day.

Fragrance Notes	Description
Top Notes	The scent opens with a sparkling, effervescent burst of Pink Grapefruit, Zesty Lemon, and Mandarin. These notes are highly volatile, designed to deliver an instant sense of cleanliness and vitality as soon as a candle is lit or a spray is dispersed.
Middle Notes	As the initial citrus softens, the core reveals the lush, tart sweetness of Red Pomegranate and Green Rhubarb. Accents of Freesia or Rose often act as floral veils, adding a professional "spa-like" elegance that prevents the fruit notes from becoming overly syrupy.
Base Notes	The dry-down is grounded by a warm, sophisticated foundation of Light Musk, Cedarwood, and a touch of Amber. These heavier molecules "fix" the lighter fruits, ensuring a lingering, cozy warmth that stays in the room long after the candle has been extinguished.

Technical Specifications

Parameter	Specification
Product Name	Pomegranate-Grapefruit Fragrance Oil
Fragrance Profile	Sharp Citrus, Zesty Peel, Effervescent
Appearance	Colorless to light yellow transparent liquid
Relative Density	0.945–0.975 g/cm³ @ 25°C
Refractive Index	1.485–1.510 @ 20°C
Flash Point	68°C - 75°C (154°F - 167°F)
Ingredients	Natural & Synthetic Aromatic Compounds
Recommended Dosage	Reed Diffusers: 15% - 25% Scented Candles: 6% - 10% Room Sprays: 2% - 5% Oil Burners: 3-5 drops diluted in water
Volatilization Rate	Maintains continuous fragrance for 20-30 days, covering 15-25 square meters
Solubility	Easily soluble in ethanol and propylene glycol
Compatibility	Compatible with most anionic, nonionic, and zwitterionic surfactants
Shelf Life	12-24 months when stored in cool, dark place in sealed container
Standard Compliance	IFRA compliant with passed skin irritation testing

## Functions & Applications:

The primary function of PLANT Pomegranate-Grapefruit Fragrance Oil is to act as a high-intensity atmospheric rejuvenator. Utilizing a sophisticated blend of synthetic and natural-identical aromatics, it serves an olfactory "lifting" purpose, designed to transform stale or neutral environments into vibrant, energetic spaces. The chemical synergy between the sharp, acidic grapefruit molecules and the denser, lactic pomegranate accords allows this oil to perform as a bi-modal fragrance; it provides both an immediate sanitizing freshness and a long-term ambient warmth.

Beyond its scent, PLANT Pomegranate-Grapefruit functions as a psychological stimulant. The citrus top notes are engineered to trigger alertness and "clean-room" associations, while the dark fruit heart adds a layer of luxury and comfort. In blending, it functions as a versatile modifier, capable of brightening heavy woody bases or adding a modern, tart edge to traditional floral compositions, ensuring a professional and balanced scent throw in any medium.

Applica tion	Usage Guidelines
Reed Diffuser s	This oil is optimized for capillary performance. Because it maintains a balanced viscosity, it travels efficiently through both rattan and synthetic fiber reeds. For PLANT diffusers, a 15–25% concentration ensures a consistent release of fragrance that does not "clog" the sticks, providing a reliable scent duration of 3–4 months.
Scented Candles	In wax applications, PLANT Pomegranate-Grapefruit is designed for a superior "cold throw" that attracts customers instantly. Due to its specific flash point, it integrates seamlessly into soy and coconut wax blends. A 7–10% fragrance load is recommended, added at approximately 65°C to ensure the delicate citrus esters do not degrade, resulting in a clean, room-filling "hot throw."

Home Sprays	In aqueous applications, PLANT Pomegranate-Grapefruit acts as a premium deodorizer. When blended at a 3–5% dilution with a suitable emulsifier, it creates a non-staining mist that effectively neutralizes household odors, leaving behind a crisp, sparkling trail of Mediterranean citrus and red berries.

## applications

BEDROOM

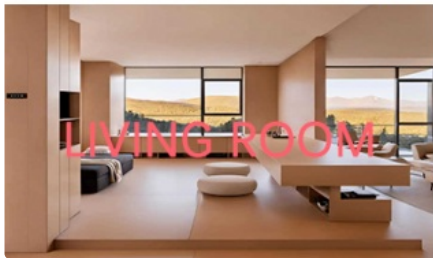

Coffee House

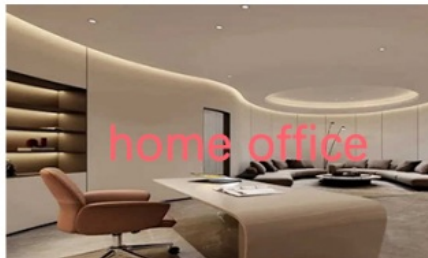

library/study

BATHROOM

LIVING ROOM

home office

## applications

Our Advantages:

## 100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA, MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

### Support and Services

Our R&D team includes PhDs and senior engineers, with established laboratories in partnership with universities. We integrate global technology to maintain product advantage through continuous innovation.

#### Comprehensive Support Services

- Product usage instructions and guidance
- Expert advice on fragrance selection
- Technical support for any issues or concerns
- Product customization services
- Assistance with regulatory compliance
- Training and education on fragrance formulation

## Packaging and Shipping

### Product Packaging Options

Pack Type	Quantity	Specification	Volume
Plastic Bottle	5kgs	L41*W28*H33.5cm 5kg*4 bottle per carton	0.038cbm
Metal Barrel	25kgs	D30*H45cm	0.032cbm
Jerry Can	20-25kgs	L29.5*D29.5*H41cm	0.33cbm

### Shipping Information

Production time: 3-5 days for trial orders, 5-10 days for bulk orders. We provide photos or samples for confirmation before shipping. Shipping options include ship, air, truck, and express delivery.
