

Wholesale Candle Fragrances Almond ice cream with vanilla bean extract Oil For Scented Candle Production With Free Sample

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Plant
- Certification: COA,MSDS,IFRA,CE,ISO
- Model Number: LDZ-PL40516
- Minimum Order Quantity: 1KGS/To Be Negotiated
- Price: 1-49 Kilograms \$20.00, To Be Negotiated
- Packaging Details: Carton Drum Packing :5kgs/drum,4 Drum/carton,20kgs/carton(41*28*33.5cm);Iron Drum Packing: 25 Kg/drum (D: 30cm, H: 45cm)(0.032cbm)
- Delivery Time: 3-5 Working Days For Trial Order; 5-10 Working Days For OEM Order
- Payment Terms: L/C,T/T,Western Union,MoneyGram
- Supply Ability: 2000 Kilogram/Kilograms Per Day

Product Specification

- Scent Throw: Strong
- Fragrance Options: Lavender, Vanilla, Jasmine, Sandalwood, Rose, Citrus, Eucalyptus, Cinnamon, Ocean Breeze, Pine, Amber, Musk, Gardenia, Coffee, Coconut
- Usage: Indoor
- Appearance: Fragrance Oil
- Delinery: 3-7 Working Days
- Wick Material: Cotton
- Form: Liquid Oil
- Dosage: 1%-5%
- Application: Candle
- Samples: Freely Provide
- Scent Strength: Medium
- Safety Features: Non-toxic, Lead-free Wick
- Color: Various (depending On Fragrance)

Product Description

Premium Almond Ice Cream with Vanilla Bean Extract Fragrance Oil

Professional-grade dual-accord fragrance oil engineered for high-output scented candle production, featuring a sophisticated balance between vibrant nutty notes and smooth gourmand base accords.

Product Code: LDZ-PL40516

Product Overview

PLANT Almond Ice Cream with Vanilla Bean Extract Oil is a premium, gourmand aromatic compound engineered specifically for the luxury candle market. This fragrance captures the creamy, indulgent essence of a frozen dessert, blending the nutty sophisticated bitterness of crushed almonds with the rich, pod-flecked sweetness of authentic vanilla bean.

Beyond mere sweetness, the inclusion of almond provides a "toasted" depth that prevents the vanilla from becoming cloying, making it ideal for "Kitchen," "Bakery," or "Cozy Home" collections.

Fragrance Profile

The PLANT Almond Ice Cream with Vanilla Bean Extract Oil offers a rich, multi-dimensional gourmand profile designed to evoke a sense of indulgent warmth. This fragrance is expertly structured to balance nutty top-tier clarity with a dense, creamy foundation.

Top Notes	The scent opens with a crisp, toasted Bitter Almond and a hint of Sugared Pistachio. These notes provide an immediate nutty sharpness that cuts through the heavier cream accords.
Middle Notes (Heart)	As the wax pools, the heart reveals a velvety Churned Cream and Heliotrope accord. This stage mimics the "chilled" sensation of ice cream, softened by a touch of milky froth.
Base Notes	The foundation is built on Authentic Vanilla Bean Pods, Warm Tonka, and a whisper of Caramelized Sugar. These heavy molecules provide a long-lasting "fixative" effect.

Technical Specifications

Formulated for superior performance in vegetable-based waxes such as soy, rapeseed, and coconut. The oil features a high degree of "scent-locking" stability, ensuring that the creamy dairy notes do not take on a "plastic" undertone during the burning process.

Fragrance Profile	Almond Ice Cream With Vanilla Bean Extract Oil
Appearance	Clear to pale yellow liquid
Relative Density	1.020 to 1.055 g/cm ³ @ 25°C
Refractive Index	1.515 - 1.545 @ 20°C
Flash Point	>200°F (>93.3°C)
Ingredients	Natural & Synthetic Aromatic Compounds
VOC Content	< 1% - Environmentally friendly formula meeting CARB standards
Recommended Dosage	Natural Waxes (Soy/Coconut): 6% - 10% Reed Diffuser: 15% - 25%
Thermal Diffusion	Excellent - Fills 20-30 square meters in 3-5 minutes after lighting
Cold Throw	Excellent - Noticeable aroma when unburned

Hot Throw	Excellent - Strong and steady aroma spread while burning
Wax Compatibility	Excellent - Blends seamlessly with soy wax, beeswax, coconut wax, paraffin wax, and blends
Solubility	Easily soluble in ethanol and propylene glycol
Compatibility	Compatible with most anionic, nonionic, and zwitterionic surfactants
Shelf Life	24 months when stored in cool, dark place
IFRA Compliance	Complies with IFRA standards and passed skin irritation testing

Functions & Applications

The primary function of PLANT Almond Ice Cream with Vanilla Bean Extract Oil is to provide a gourmand olfactory anchor for premium home fragrance collections. Chemically, it is engineered as a "slow-release" aromatic compound, utilizing heavy molecular weight vanillins and balsamic esters to ensure a sustained, long-lasting scent throw.

Primary Applications

Scented Candle Manufacturing	This is the flagship application for the PLANT blend. It is optimized for soy, beeswax, and coconut wax blends, where it achieves a high-performance "hot throw." Due to its high vanillin content, it is ideally applied at a 7-10% fragrance load.
Wax Melts and Tarts	Because of its high flash point (93°C), it is exceptionally safe and stable for use in wax melts. It provides an immediate "bakery-fresh" impact that is popular in open-concept living spaces.
Product Layering	Within the PLANT production line, this oil is frequently used as a gourmet base for custom blending. It can be layered with "PLANT Cherry" for a Bakewell tart profile or "PLANT Coffee" for a latte-inspired collection.

Our Advantages

100% STRENGTH BRAND

Our products are strictly approved by a list of certifications, such as ISO22000, COA, MSDS, SGS, ISO9001, ISO22000, HACCP, IFRA, SPEC

Support & Services

Our R&D team includes PhDs and senior engineers with university partnerships, integrating global technology for continuous innovation in natural ingredients. We assist customers in improving product aroma, quality structure, and reducing production costs with tailored solutions.

Comprehensive Support Includes:

- Product usage instructions and guidance
- Expert advice on fragrance selection
- Technical support for any issues or concerns
- Product customization services
- Assistance with regulatory compliance
- OEM support for custom scents
- Training and education on fragrance formulation

Packaging & Shipping

Product Packaging

Pack Type	QTY	Specification	Volume
Plastic Bottle	5kgs	L41*W28*H33.5cm 5kg*4 bottle per carton	0.038cbm
Metal Barrel	25kgs	D30*H45cm	0.032cbm
Jerry Can	20-25kgs	L29.5*D29.5*H41cm	0.33cbm

Shipping Information

Production begins immediately after payment. Lead times: 3-5 days for trial orders, 5-10 days for bulk orders. We provide photo confirmation or bulk samples before shipping via ship, air, truck, or express according to client requirements.
