

Flavour and Fragrance Industry Youthful Years Fragrance Essence Oil For Daily Using Perfume Making With Free Sample

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Plant
- Certification: COA,MSDS,IFRA,CE,ISO
- Model Number: LDZ-PL10278
- Minimum Order Quantity: 1KGS/To Be Negotiated
- Price: 1-49 Kilograms \$20.00, To Be Negotiated
- Packaging Details: Carton Drum Packing :5kgs/drum,4 Drum/carton,20kgs/carton(41*28*33.5cm);Iron Drum Packing: 25 Kg/drum (D: 30cm, H: 45cm)(0.032cbm)
- Delivery Time: 3-5 Working Days For Trial Order; 5-10 Working Days For OEM Order
- Payment Terms: L/C,T/T,Western Union,MoneyGram
- Supply Ability: 2000 Kilogram/Kilograms Per Day

Product Specification

- Type: Synthetic Flavour & Fragrance
- Occasion: Daytime, Casual
- Form: Liquid Concentrated
- Target Audience: Adults
- Packing: Plastic Or Iron Barrel
- Sillage: Moderate
- Age Group: Adults
- Package: Plastic Or Iron Barrel
- Target Gender: Unisex
- Scent Family: Floral
- Solubility: Oil/ Water Soluble
- Appearance: Light Yellow
- Application: Luxury Perfume Making
- Used For: Daily Floral Flavors For Perfume Making
- Highlight: **youthful years fragrance essence oil,**

Product Description

Youthful Years Fragrance Essence Oil

Product Code: LDZ-PL10278

Youthful Years Fragrance Essence is a high-tenacity, professional-grade aromatic compound engineered for the modern perfumery and daily chemical manufacturing sectors. Designed to capture the olfactory zeitgeist of vitality and optimism, this essence serves as a sophisticated "Fresh-Fruity-Gourmand" base, optimized for brands targeting a dynamic, contemporary demographic.

The fragrance is constructed on a tri-phasic pyramid that balances high-impact volatility with structural endurance. It opens with a luminous top tier of crisp Green Apple, Italian Bergamot, and Wild Berries, providing an immediate "sparkle" and olfactory lift. The heart transitions into a transparent floral bouquet of White Jasmine and dewy Peony, offering a refined, airy texture that avoids traditional heaviness. The dry-down is anchored by a sophisticated complex of Whipped Vanilla, Blonde Woods, and a signature "skin-like" White Musk, ensuring a persistent and comforting sillage.

Fragrance Profile

The fragrance is characterized by a Fresh-Fruity-Gourmand architecture, focusing on high-energy opening notes and a comforting, "clean skin" dry-down.

Top Notes	A vibrant, sparkling burst of Green Apple, Italian Bergamot, and Wild Berries. This layer provides an immediate "lift" and a sense of playful energy.
Middle Notes	A soft, airy bouquet of White Jasmine, Peony, and translucent Water Lily. These floral accords add a layer of sophisticated femininity without becoming heavy or traditional.
Base Notes	A smooth, long-lasting foundation of Whipped Vanilla, Soft Musk, and Blonde Woods. These fixatives ensure a creamy, nostalgic finish that lingers on the skin.

Technical Parameters

Parameter	Specification
Fragrance Notes	Youthful Years Fragrance Essence Oil
Appearance	Transparent to amber liquid
Relative Density	0.980–1.020 g/cm ³ @ 25°C
Refractive Index	1.480–1.510
Flash Point	>93°C (200°F)
Dosage	Eau de Toilette (EDT): 8%-15% Eau de Parfum (EDP): 15-25% Body Mists / Sprays: 2% - 5% Creams / Lotions: 0.5%-2% Soap / Rinse-off: 1%-3%
Diffusion Ability	Excellent aroma
Long-lasting Fragrance	8-12 hours (paper strip test)

Solubility	Soluble in ethanol and oils; insoluble in water
IFRA Compliance	Conforms to International Fragrance Association safety standards
Heat Resistance	Stable at 100°C with no noticeable discoloration or odor change
Lightfastness	Good (avoid long-term direct sunlight)
Evaporation Rate	Slow evaporation rate ensures smoother fragrance evolution with richer layers

Applications & Functions

Functions: Olfactory Identity and Structural Performance

The primary function of Youthful Years is to provide a vibrant, "high-energy" sensory identity that resonates with younger consumer segments. Beyond its emotional impact, the oil is functionally designed as a comprehensive aromatic stabilizer. Its complex blend of synthetic and natural accords serves to mask the "base" odors of raw chemicals (such as surfactants or alcohol) that can be off-putting in raw formulations.

Technically, the essence functions as an evaporation regulator; the inclusion of dense base-note fixatives like white musk and blonde woods slows the volatility of the brighter top notes, ensuring a consistent scent profile over several hours. Additionally, it is formulated for antioxidant stability, meaning it resists "going off" or changing color when exposed to light and air, thereby protecting the aesthetic integrity of the final product on the shelf.

Applications: From Fine Fragrance to Youth-Centric Care

In Fine Fragrance Production, Youthful Years is the foundational concentrate for creating trendy Eau de Parfum (15-25%) and Eau de Toilette (8-15%) lines. Its clarity and ethanol-solubility make it perfect for premium glass-bottled sprays that require a professional, sediment-free finish.

The oil is also extensively applied in the Daily Personal Care sector, particularly for "Gen Z" targeted products like refreshing body mists, hair perfumes, and scented dry shampoos. Its non-reactive nature allows it to be seamlessly incorporated into skincare and body-care emulsions (lotions, hand creams, and body butters) at lower concentrations (0.5-2%) without breaking the formula's viscosity. Furthermore, it is a popular choice for Home Ambiance products, such as vibrant reed diffusers and luxury soy candles, where its "fresh and clean" profile is used to create a modern, uplifting atmosphere in living spaces.

Our R&D team, consisting of PhDs and senior engineers, collaborates with universities to maintain product innovation and quality. We assist customers in improving product aroma, quality structure, and reducing production costs.

Support & Services

- OEM support for custom scents and classical flavors
- Product usage instructions and guidance
- Expert advice on fragrance selection
- Technical support for any issues or concerns
- Product customization services
- Assistance with regulatory compliance
- Training and education on fragrance formulation

Packaging & Shipping

Pack Type	Quantity	Specification	Volume
Plastic Bottle	5 kgs	L41*W28*H33.5cm (5kg*4 bottle per carton)	0.038 cbm
Metal Barrel	25 kgs	D30*H45cm	0.032 cbm
Jerry Can	20-25 kgs	L29.5*D29.5*H41cm	0.33 cbm

Production typically takes 3-5 days for trial orders and 5-10 days for bulk orders. We provide photo confirmation before shipping and offer multiple shipping options including sea, air, truck, and express delivery.

Where there are fragrance, there are plant flavor.
