Product Description

Cloud Perfume Oil - Ariana Grande Inspired Fragrance

Product Code: LDZ-PL10452

Ariana Grande's Cloud is a highly popular "Floral Fruity Gourmand" fragrance, widely loved for its airy, sweet, and comforting profile. This concentrated perfume oil offers a molecular sweetness often compared to luxury fragrances but with a creamier, more youthful twist.

Our Product Introduction

Fragrance Profile

Top Notes (Opening)	The fragrance begins with a clean, uplifting blue feeling. Lavender Blossom provides soft herbal powderiness, brightened by crisp Juicy Pear and Bergamot for citrusy clarity. This initial phase is airy and refreshing like a cool breeze.
Middle Notes (Heart)	Transforms into its famous cloud-like texture with rich Creme de Coconut and Whipped Cream accord creating lactic smoothness. Sweetened by Indulgent Praline for nutty warmth and Vanilla Orchid for exotic floral sweetness.
Base Notes (Foundation)	Grounded in Sensual Musks and Creamy Blonde Woods, providing a molecular quality with warm, fuzzy skin-scent that lingers for hours. Creates a cozy cashmere sweater feel that remains intimate long after top notes fade.

Technical Specifications

Parameter	Specification
Fragrance Notes	Concentrated Cloud (Ariana Grande) Perfume
Appearance	Transparent to amber liquid
Relative Density	0.952–1.032 g/cm ³ @ 25°C
Refractive Index	1.474–1.485
Flash Point	>93°C (200°F)
Dosage	Fine Fragrance (Perfume): 10% - 20% Body Lotion / Cream: 1% - 2% Soap (Cold Process/M&P): 3% - 5% Candles & Wax Melts: 6% - 10% Solid Perfume: 5% - 10% Reed Diffusers: 20% - 25%
Diffusion Ability	Excellent aroma
Long-lasting Fragrance	8-12 hours (paper strip test)

Solubility	Soluble in ethanol and oils; insoluble in water
IFRA Compliance	Conforms to International Fragrance Association safety standards
Heat Resistance	Stable at 100°C with no noticeable discoloration or odor change
Lightfastness	Good (avoid long-term direct sunlight)
Evaporation Rate	Slow evaporation ensures smoother fragrance evolution

Applications & Functions

This fragrance oil provides long-lasting, intimate scent experience without alcohol harshness. As a concentrated oil, it functions as a slow-release aromatic that adheres to skin and reacts with body heat to diffuse gradually over 8-12 hours.

Ideal for sensitive or dry skin, this oil acts as a skin-softening fixative. Its molecular structure serves as a bridge to stabilize volatile top notes. The whipped, lactic qualities function as a comfort scent designed to reduce stress and create a cozy scent bubble.

Industrial Applications

Extremely versatile for various applications:

Personal Care: DIY body butters, lotions, everything sprays (1%-2% dosage)

Soap Making: Artisanal soap (Melt & Pour or Cold Process) and shower gels

Hair Care: Hair mists or serums that hold musk and praline notes

Home Fragrance: Reed diffusers, electric oil warmers, soy candles (6%-10% load)

Linen Care: Linen sprays for pillows and blankets with calming laundry aroma
