## Product Description

### Factory Concentration Body Perfume Blue Cedar Essence Oil For Perfume Making/Production With Free Sample

Product Code: LDZ-PL10593

Concentration Body Perfume Blue Cedar Essence Oil is a premium fragrance specially developed for perfume making and luxury scented product manufacturing. Inspired by the fresh and calming character of blue cedarwood, this fragrance delivers a refined woody-aromatic scent profile that combines crisp freshness with smooth woody warmth. The fragrance creates a clean, elegant, and modern olfactory experience suitable for sophisticated masculine and unisex fragrance collections.

Its high concentration ensures excellent scent diffusion, long-lasting performance, and stable compatibility across multiple formulations. Carefully blended with high-quality aromatic materials, the fragrance oil performs exceptionally well in fine perfumes, body mists, scented candles, reed diffusers, soaps, lotions, and personal care products. The blue cedar accord provides a natural woody depth balanced by soft aromatic and musky nuances, creating a luxurious yet versatile fragrance character.

Concentration Body Perfume Blue Cedar Essence Oil is ideal for brands seeking a modern woody fragrance with premium market appeal. Its smooth cedarwood warmth, fresh aromatic texture, and lasting scent performance help create sophisticated products that enhance brand identity and provide consumers with a refreshing and memorable sensory experience. Free samples are available for fragrance evaluation and product development purposes.

**Fragrance Profile:**

**Concentration Body Perfume Blue Cedar Essence Oil features a fresh, woody, and sophisticated fragrance profile inspired by the clean elegance of natural cedarwood forests.**

| Fragrance Notes     | Description  |
|---------------------|--|
| Top Notes (Opening) | The scent opens with refreshing top notes of bergamot, grapefruit, eucalyptus, and aromatic herbs, creating a crisp and energizing introduction. These fresh citrus and green accords provide brightness and clarity while enhancing the fragrance's modern woody character. |

|                         |  |
|-------------------------|--|
| Middle Notes (Heart)    | The middle notes reveal a smooth aromatic heart composed of blue cedarwood, lavender, rosemary, violet leaf, and soft spicy nuances. The cedar accord delivers a refined woody depth with a slightly dry and elegant texture, while the aromatic herbs add freshness and balance. These middle layers create a calm, masculine, and contemporary fragrance identity.               |
| Base Notes (Foundation) | The base notes provide a warm and lasting finish with sandalwood, amber, white musk, vetiver, and patchouli. These woody and musky accords enhance longevity, depth, and smoothness while maintaining a clean and luxurious dry-down. Overall, the fragrance profile is fresh, woody, aromatic, and elegant, making it ideal for premium masculine and unisex fragrance creations. |

## Applications & Functions:

Concentration Body Perfume Blue Cedar Essence Oil is designed to provide a refined woody-aromatic aroma that enhances the sensory quality of perfumes and scented products. Its primary function is to deliver the fresh and elegant character of blue cedarwood combined with soft aromatic and musky accords, creating a sophisticated and modern fragrance experience. The high concentration ensures excellent scent diffusion, strong retention, and stable performance across multiple formulations. In fine perfumery, it functions as a key aromatic component that adds woody depth, freshness, and smooth warmth to masculine and unisex fragrance compositions. In candles and reed diffusers, the fragrance oil creates a calm and luxurious atmosphere with balanced scent projection and long-lasting aroma performance. It also functions as an odor-enhancing ingredient in personal care and home fragrance products, improving overall product appeal and user experience. Carefully formulated with premium aromatic materials, the fragrance maintains consistency during manufacturing and storage. Overall, its function is to elevate product value, strengthen fragrance identity, and help brands create premium products with a clean, elegant, and memorable woody fragrance profile.

Concentration Body Perfume Blue Cedar Essence Oil is widely used in perfume, personal care, and home fragrance industries because of its fresh woody scent profile and versatile formulation compatibility. It is ideal for fine perfumes, eau de parfum, body mists, and niche fragrance collections that require a clean, elegant, and modern woody character. In home fragrance applications, the oil performs exceptionally well in scented candles, reed diffusers, aroma stones, room sprays, and wax melts, helping create a relaxing and sophisticated environment. It is also suitable for use in soaps, shampoos, shower gels, body lotions, creams, beard oils, and grooming products, adding a refined cedarwood aroma to daily personal care routines. In addition, the fragrance oil can be incorporated into laundry detergents, fabric softeners, and air fresheners to provide long-lasting freshness with a premium woody touch. Thanks to its high concentration, stable formulation performance, and smooth scent diffusion, it is suitable for both large-scale manufacturing and customized fragrance development projects for luxury fragrance and lifestyle brands.

## Industrial Applications

Primary applications include:

**Attars and Concentrated Perfume Oils (CPO):** Ideal for alcohol-free, highly potent luxury oils

**Fine Fragrances:** Used in "Intense" or "Nuit" perfume versions requiring heavy sillage

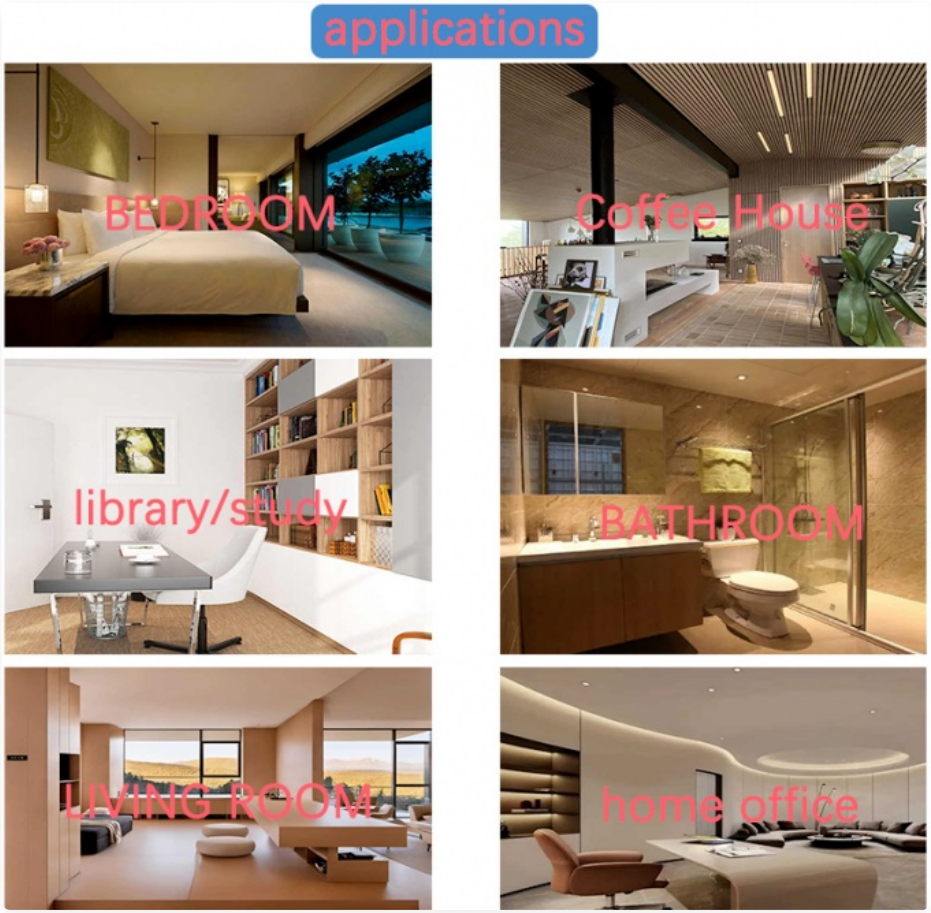

**Premium Home Fragrancing:** Top-tier choice for Bakhoor and luxury incense production

**Hospitality Sector:** Utilized in high-output nebulizers for hotel lobbies and boutiques

**Personal Care:** Popular in Beard Oils and Hair Mists for long-lasting sophisticated appeal
