Home Spray A Garden on the Nile Fragrance Oil For Diffuser& Reed Stick &Cold Scented Candle Making/Production With Free Sample

Product Code: LDZ-PL31478

Premium fragrance essence for diffusers, reed sticks, scented candles, and home spray productions

Product Overview

Home Spray Essence A Garden on the Nile Fragrance Oil is a premium aromatic formulation specially developed for diffuser oils, reed sticks, cold scented candles, and luxury home fragrance product manufacturing. Inspired by the refreshing atmosphere of riverside gardens and lush green landscapes, this fragrance delivers a sophisticated fresh-green scent profile that combines vibrant citrus, aquatic accords, soft florals, and smooth woody undertones. The fragrance creates a clean, elegant, and relaxing sensory experience that brings natural freshness into modern living spaces.

Its high concentration ensures excellent scent diffusion, long-lasting aroma performance, and stable compatibility in various home fragrance applications. Carefully blended with high-quality aromatic materials, the fragrance oil performs exceptionally well in reed diffusers, room sprays, aroma diffusers, cold-process scented candles, wax melts, and air freshening products. The balanced combination of green freshness and soft woody warmth creates a luxurious and calming indoor atmosphere suitable for both residential and commercial environments.

Home Spray Essence A Garden on the Nile Fragrance Oil is ideal for brands seeking a refined and nature-inspired home fragrance with premium market appeal. Its fresh aquatic elegance, smooth diffusion performance, and sophisticated aromatic character help create upscale products that enhance lifestyle experiences and deliver a memorable fragrance journey.

Fragrance Profile & Characteristics:

Home Spray Essence A Garden on the Nile Fragrance Oil features a fresh, green, and elegant fragrance profile inspired by lush riverside gardens and cool flowing water.

Fragrance Notes	Description
Top Notes	The scent opens with vibrant top notes of green mango, grapefruit, bergamot, and fresh aquatic accords, creating a crisp and refreshing introduction. These citrus and fruity elements provide a bright natural freshness that feels airy, energetic, and sophisticated while evoking the sensation of a cool garden breeze.
Middle Notes	The middle notes reveal a refined green floral heart composed of lotus flower, water lily, sycamore wood, soft jasmine, and green herbal nuances. These accords add depth and tranquility to the fragrance while maintaining a clean and smooth character. The floral and aquatic balance creates a relaxing atmosphere inspired by nature and elegant outdoor landscapes.
Base Notes	The base notes provide a soft and lasting finish with cedarwood, musk, sandalwood, amber, and light earthy accords. These warm woody ingredients enhance longevity, smoothness, and comfort while preserving the fragrance's refreshing green freshness. Overall, the scent profile is aquatic, citrusy, green, and sophisticated, ideal for luxury home fragrance products.

Technical Specifications

Parameter	Specification
Product Name	A Garden on the Nile Fragrance Oil
Fragrance Profile	Sharp Citrus, Zesty Peel, Effervescent
Appearance	Colorless to light yellow transparent liquid
Relative Density	0.925–0.965 g/cm ³ @ 25°C

Compatibility	Compatible with most anionic, nonionic, and zwitterionic surfactants
Shelf Life	12-24 months when stored in cool, dark place in sealed container
Standard Compliance	IFRA compliant with passed skin irritation testing

Functions & Applications

Home Spray Essence A Garden on the Nile Fragrance Oil is designed to provide a fresh, green, and elegant aroma that enhances the atmosphere of indoor environments and home fragrance products. Its primary function is to combine vibrant citrus freshness, aquatic accords, soft florals, and woody undertones to create a clean and relaxing sensory experience inspired by natural riverside gardens. The fragrance oil offers excellent scent diffusion and long-lasting aroma retention, making it highly effective for diffusers, room sprays, and scented candles. In home fragrance applications, it functions as an atmosphere-enhancing ingredient that helps create a calm, refreshing, and sophisticated environment suitable for homes, hotels, spas, and commercial spaces. The fragrance also functions as an odor-balancing ingredient by helping reduce unwanted indoor odors while leaving a smooth and luxurious scent trail. Carefully formulated with premium aromatic materials, it maintains stable performance during manufacturing and storage. Overall, its function is to elevate product quality, strengthen fragrance identity, and help brands create premium lifestyle products with a refined and nature-inspired aromatic experience.

Home Spray Essence A Garden on the Nile Fragrance Oil is widely used in home fragrance and lifestyle product industries because of its fresh green scent profile and excellent compatibility with multiple fragrance systems. It is ideal for reed diffusers, aroma diffusers, room sprays, home sprays, cold scented candles, wax melts, and aroma stones that require a clean, elegant, and nature-inspired fragrance character. The fragrance oil performs exceptionally well in diffuser applications by providing smooth scent diffusion and long-lasting freshness throughout indoor spaces. It is also suitable for luxury hotel scents, spa environments, boutique fragrance products, and air freshening systems, helping create a calm and refreshing atmosphere. In addition, the fragrance oil can be incorporated into fabric sprays, car air fresheners, and lifestyle fragrance collections to provide a sophisticated green and aquatic aroma. Thanks to its stable formulation performance, excellent scent projection, and compatibility with diffuser bases and candle waxes, it is suitable for both large-scale manufacturing and customized fragrance development projects for premium home fragrance brands.
