Product Description

Free Sample Diffuser Fragrance Atour Hotel Fragrance For Reed Stick & Cold Scented Candle & Diffuser Fragrance Making/Production

Product Code: LDZ-PL30871

Premium fragrance essence for diffusers, reed sticks, scented candles, and home spray productions

Product Overview:

Diffuser Fragrance Atour Hotel Fragrance Oil is a premium fragrance concentrate inspired by the tranquil and sophisticated ambiance of modern boutique hotels. Specially developed for reed diffusers, cold-process scented candles, aroma diffusers, and home fragrance production, this fragrance oil creates a clean, elegant atmosphere that reflects comfort, relaxation, and understated luxury. Its carefully balanced composition combines fresh botanical notes, delicate florals, and warm woody accords to deliver a refined scent that transforms both residential and commercial spaces into welcoming, hotel-inspired environments.

Formulated with high-quality aromatic ingredients, this fragrance oil provides excellent diffusion, outstanding stability, and long-lasting fragrance performance. It disperses evenly through diffuser reeds and cold-process waxes, ensuring continuous scent release while maintaining its original fragrance character throughout use. Its low discoloration, superior oxidation resistance, and reliable batch consistency make it suitable for both artisanal production and large-scale manufacturing. Ideal for reed diffusers, cold scented candles, electric aroma diffusers, room sprays, linen sprays, fragrance sachets, and hospitality scenting systems, Atour Hotel Fragrance Oil blends harmoniously with white tea, green leaves, jasmine, cedarwood, musk, and amber accords to create a signature hotel-style fragrance. Combining premium quality with exceptional formulation performance, it is an excellent choice for OEM/ODM manufacturers, private-label brands, and luxury home fragrance collections seeking a clean, calming, and memorable scent experience.

Fragrance Profile & Characteristics:

Atour Hotel Fragrance Oil features a refined fresh-woody fragrance inspired by the calm, elegant atmosphere of contemporary boutique hotels. The composition is clean, airy, and comforting, creating a sophisticated ambiance that promotes relaxation while leaving a lasting impression of understated luxury. Designed for home and commercial scenting, it balances crisp freshness with soft floral nuances and warm woody undertones, making it suitable for year-round use.

Fragrance Notes	Description
Top Notes	The fragrance opens with an invigorating blend of bergamot, green tea, lemon zest, and fresh bamboo leaves. These bright top notes deliver a crisp, revitalizing introduction that immediately evokes a sense of cleanliness, freshness, and tranquility.
Middle Notes	As the scent develops, the heart unfolds into a graceful harmony of white tea, jasmine petals, lily of the valley, and light violet accords. This elegant floral-tea bouquet adds softness and refinement while maintaining the fragrance's airy, minimalist character, creating a welcoming and peaceful environment.
Base Notes	The fragrance settles into a smooth base of cedarwood, sandalwood, white musk, amber, and a subtle touch of oakmoss. These warm, comforting notes provide excellent diffusion and long-lasting performance, leaving a sophisticated woody trail. The overall fragrance is fresh, modern, and luxurious, making it an ideal choice for reed diffusers, cold-process scented candles, room sprays, aroma diffusers, and other premium home fragrance products seeking a signature hotel-inspired scent.

Functions & Applications:

Atour Hotel Fragrance Oil is specially formulated to create a clean, elegant, and relaxing atmosphere inspired by the signature scent experience of premium boutique hotels. Its primary function is to provide continuous, balanced fragrance diffusion that transforms interior spaces into calm and welcoming environments. The sophisticated blend of fresh tea notes, delicate florals, and warm woods helps

promote comfort, relaxation, and a sense of understated luxury, making any space feel refined and inviting.

Beyond its pleasant aroma, this fragrance oil enhances the perceived quality of home fragrance products by offering excellent scent throw, long-lasting performance, and consistent fragrance stability. It performs reliably in diffuser bases, wax blends, and water-based fragrance systems while maintaining its original scent profile over extended periods. Its carefully balanced composition also minimizes oxidation and discoloration, ensuring dependable quality during production and storage. Additionally, the fragrance blends harmoniously with citrus, herbal, woody, musky, and floral accords, allowing fragrance designers to develop exclusive hotel-inspired scent collections that strengthen brand identity and create memorable sensory experiences for both residential and commercial environments.

Primary Applications:

Atour Hotel Fragrance Oil is widely used in the home fragrance and hospitality industries for creating sophisticated hotel-style scenting solutions. It is particularly suitable for reed diffusers, cold-process scented candles, electric aroma diffusers, ultrasonic diffusers, room sprays, linen sprays, fragrance sachets, and aroma stones, where its fresh, elegant fragrance provides a continuous and luxurious scent experience. Its excellent diffusion performance makes it ideal for enhancing living rooms, bedrooms, hotel lobbies, reception areas, spa centers, offices, boutiques, and other commercial spaces.

Beyond traditional home fragrance products, this fragrance oil is an excellent choice for OEM/ODM manufacturing, private-label home fragrance collections, boutique hotel amenities, wellness centers, luxury retail environments, and customized ambient scenting projects. Its refined composition blends beautifully with white tea, green notes, cedarwood, sandalwood, amber, and white musk accords, enabling brands to develop exclusive signature fragrances tailored to different markets. Suitable for both handcrafted production and industrial-scale manufacturing, it delivers excellent processing stability, reliable batch consistency, and premium fragrance quality, helping create elegant environments that leave a lasting impression on guests and customers.
